2. Admission forms should be completed and these will be placed on the waiting list and children will be admitted in date of birth order from the waiting list. Exceptions, ie. Recommendation from other agencies to be decided by Head Teacher.
3. Children in our immediate catchment area will be given priority, followed by those with sibling link.
4. Main admission will be completed as soon as possible, depending on needs of children, up to full complement of 104.

7. Urgent cases are discussed with the Head Teacher.
8. The staggered entry of children is to be organised by class teams.
9. It is the staff's responsibility to ensure non-arrivals are followed up.
10. Children can only be admitted to a ratio of 13/1 adult. ie. 26 children in each class.
11. Looked after Children (LAC) or children with Special Education Needs and/or Disabilities (SEND) who apply, will be offered a place.

12. If special reasons for admissions to the nursery are to be considered, detailed written information about the child's circumstances will be required.
