

Huntingdon Nursery School March 2021

Welcome Back to all our families who have been at home during this second lockdown and who are now returning to school.

We are staggering their return so that we can give them the support they may need to engage fully with school after such a long break.

It was very special to see and hear the excitement in children voices and faces as they were reunited with friends last week, we look forward to others restarting school over the next fortnight.

As you will see from Jon Lewis' letter Huntingdonshire's infection rate is one of the highest in Cambridgeshire and although it is declining slowly it is not declining as fast as other areas.

It is therefore really important that we continue to work together to maintain the protective measures that have been in place since last year. It is clear from our locality data that now is not the time to relax measures even if you have been vaccination.

With this in mind I am resending out **Home / School COVID agreement** and ask that you **read this and return it signed** to acknowledge that you agree to adhere to each point in the agreement. We need to continue to work together to ensure that the infection rate continues to decline. Thank you in advance for your support.

On a brighter note we will be joining the celebrations of RED NOSE DAY 2021 by inviting your children to wear as many colours as possible to school on Friday 19th March, creating our own colourful carnival!

If you wish to contribute a donation of £1 we will send monies raised on Friday to the Red Nose Charity.

IMPORTANT: Please note change in session times

RED and BLUE Bubble:

Following a review of our risk assessment and a change in availability of staff we are changing the timings of the sessions.

After the Easter holiday sessions in Red and Blue will start at 9am and finish at 3pm including Friday. This will mean your child will need to bring a packed lunch on Fridays.

Staff will be at the gate from 9 to 9.15am and at the end of the day from 2.45pm to 3pm to support 'staggered' drop off and pickups.

Please make sure that you all wear a face covering at drop off and pick up times and space yourselves out if you need to wait, to maintain social distance of 2m.

Thank you for your continued support and patience as we adjust ourselves again to welcome all children back to school.

We wish you a happy and safe Easter Holiday (Mon 29 Mar-Mon 12 Apr) If any child displays symptoms over the Easter Holidays please let us know by emailing head@huntingdon-nur.cambs.sch.uk.

School opens again after the holidays on Tuesday 13th April.

See you then,

Best Wishes

Claire Palmer (Headteacher)
