

## Overview of the School

Primary PE Sports Grant (PPSG) received	
Total number of children on roll (Y1-6) (September 2020)	343
Total amount of PPSG received 2020-21	£16,000 + £3430 per pupil amount (£19,430) + (COVID19 remains for 2019-2020) = TBC

### Key Indicators –

The Department for Education vision is that all pupils leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. The objective is to achieve self-sustaining improvement in the quality of PE and sport that delivers high quality provision of a balanced and holistic PE and school sport offer. There are 5 key indicators that schools should expect to see improvement across:

1. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Sport Premium objectives	Success Criteria
The assessment procedures to be manageable and informative.	Assessments of pupil performance are used effectively to inform planning and accelerate pupil progress.
Raise awareness and profile of Roskear Sporting achievements.	Successfully taking part in not only local sport events but in peninsula finals.
Increase the range of opportunities for pupils to participate in sporting activities in and out of school.	Through intra school competitions more pupils have the opportunity to engage in competitive sporting opportunities.
Encourage pupils to use their knowledge and understanding of healthy lifestyles to make informed choices about their own life.	Through pupil surveys an increased percentage of pupils indicate that they are making more healthy choices.

**Key Indicator 1 : The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school**

Intended Actions with impact on children	Funding allocated	Evidence and impact	Sustainability and next steps
Update areas of the playground and investigate a trim trail for the field.	£1000
