

# Roskear Primary and Nursery School

*Learning together for a better future*

14th May 2020

Dear Parent/Carer,

During these challenging times, we want to ensure that pupils eligible for free school meals can continue to access support if they are not in school. We have therefore taken the decision to move to the voucher system for use at supermarkets.

Within the next week, you will receive an email from the Department of Education with a redemption code. Follow the instructions on the email to use this code to access your voucher. Please see below for which stores you can receive vouchers for and whether they can be used online as well as in-store.

We have also downloaded the Parent/Carer FAQs, which contains useful information about redeeming your voucher. We highly recommend you read these so that you are fully aware of the system, how it works and the useful information about it. If you cannot access this information, please let us know.

You will be sent this email each week, to follow the same process to redeem your vouchers. If you have more than one child in your household who receives the vouchers, you will receive one voucher for that amount (ie if you have two children who are both entitled to free school meals, you will receive one code for a voucher worth £30 a week).

Many thanks,

Roskear Primary and Nursery School

Supermarket	In-store	Online
