IMPECCABLE!

You may have heard the children coming home talking about them being recognised for 'impeccable' behaviour. We thought it might be useful to let you know what it's all about

Each week the adults in school look out for children who are displaying the following behaviour traits (without being told or asked). We look for children who...

Remember their manners

Walk on the left side of the corridor

Walk in single file

Hold doors open for each other or for adults

Remember not to interrupt others when they are talking

Follow our school rules

The children's reward for being spotted is to go on first sitting on a Friday, sit on the Headteacher's Table, often with other members of staff, and be treated to such luxuries as Heinz Tomato Ketchup, vinegar, and orange or blackcurrant cordial!

FRANCE 2021 MEETING

For the past 12 years (every two years) we run a Year 5/6 residential visit to France. It's an important part of the cultural work we do here at Woodstone because as well as visiting Paris the children also get to explore many of the World War 1 battlefields and learn about the history of the British and Allied forces in the First World War. The visit lasts for a week and will hopefully run in March 2021 (dependent on numbers). This seems like a long way off but because the trip is quite expensive and we therefore try and give parents/carers as much time as possible to pay the balance.

We would like to invite you to find out more next **Wednesday, 25th September at 5:30pm.**
