The School Council meet regularly with Mrs Bruntlett to look at ways to improve our school.

Members are elected by a democratic process; Reception members are chosen by the class teacher and Year 1 to Year 5 representatives are voted in by class members. Prospective candidates in Year 6 canvas the rest of the school at 'hustings' where they present what they feel they can offer as a school council representative. All pupils in the school voted on a ballot slip and the top three candidates were elected.

Head Boy and Head Girl

I am pleased to announce that the Senior Leadership Team has appointed Jack as Head Boy and Alisha as Head Girl. These roles enhance the school and enable the children involved to take on the role of being ambassadors for Woodside School. Congratulations to both; I know they will do a fantastic job!

Eco Committee

Members of the Eco Committee are also elected by their class peers. They meet with Miss Mills to discuss environmental issues affecting the school.

Maple— Jaxon, Eva & Flo

Reminder—Fun Run For Flo

A group of parents in year 2 have organised a fund raising Fun Run for Flo at Kingsbury Water Park at 10am on Sunday 10th October. All money raised will go directly to Flo and her family. A GoFundMe page has also been set up. <https://gofund.me/3b731539>

If you would like to participate on the day please send details of number of cars and attendees by email to: krystalkorin@yahoo.co.uk

Sponsor forms are available from the school office or you can drop any donations in to the school if you are not able to attend on the day but would like to help.

Bikeability

Twelve Year 6 children took part in the national cycle training programme 'Bikeability' on Thursday and Friday of this week.

The course builds confidence and skills in children who can already ride.

You may well have seen the children cycling around the village as they gained on-road experience to help them prepare to make short journeys by bicycle.

The instructors were extremely impressed by the pupils' skills and attitude as they all passed with flying colours!

Income Based Free School Meals

Please can I encourage any parent that thinks their child might be eligible for benefits-related free school meals, to apply now, even if your child doesn't want to have a dinner each day, please apply. No matter the age of the child you should still apply for the benefits-related school meals, because this means you will also be eligible to get funding for the holiday periods from the Warwickshire Local Welfare Scheme. You will also receive subsidised residential trips and a reading book every term. Also, Woodside School will benefit from the extra funding too!

More information, and the link to the online application is at:

Arete Residential Trip

There will be a short information meeting on Thursday 14th October at 3pm for parents and children attending the Arete Residential Trip in November.

Year One

Miss Court will be starting her maternity leave after half term. Miss Millington will be looking after the class in her absence and the children will have lots of opportunity to get to know her over the next few weeks.
