

Make a Story Sack

Choose a favourite book and collect some items in a bag that have something to do with the book. Can someone else guess the book based on the items you have collected?

Get Creative with Words

Write a poem, song or rap about something you enjoy. Perhaps, you could change the words to a popular song or write an acrostic poem about your pet.

Write a Postcard

Write a postcard or a letter to a friend or relative. Tell them about all the activities you have been doing. Try to make it as interesting as possible. You could arrange with a friend to write to each other.
