## 2. Identified Barriers (Areas of Need)

Barriers -

**A**

Increase accessible facilities for inclusive sport

**B**

Broader experience of a range of sports and activities offered to all pupils.

**C**

Increase the engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.

**D**

Increase participation in competitive sport.

# ...where we are all inspired to learn

## 3. Desired Outcomes

**A**

### **Increase accessible facilities for inclusive sport**

**Desired Outcome...** Removal of barrier (uneven paving) causing access issues to inclusive sport sessions (including winter/indoor horse riding sessions) and installation of a feature space that promotes inclusive sport.

#### **Success Criteria -**

- New inclusive provision supports better accessibility to sporting facilities
- Project is delivered on time and in budget

**B**

### **Broader experience of a range of sports and activities offered to all pupils.**

**Desired Outcome...** More children taking part in more sports clubs and health based activities both IN SCHOOL and OUTSIDE OF SCHOOL.

#### **Success Criteria -**

- PE Co-Ordinator effectively baselines data showing what clubs and health based activities children access both IN SCHOOL and OUTSIDE OF SCHOOL.
- Baseline data is used to inform provision and to assess the impact of a broader offer.

# ...where we are all inspired to learn

## 4. Desired Outcomes (Continued)

**C**

**Increase the engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.**

**Desired Outcome...** Increased physical activity leads to happier, healthier children who are more engaged in learning.

### **Success Criteria -**

- Evidence of happier and healthier children.
- Improved attendance (reduced illness rates).

**D**

**Increase participation in competitive sport.**

**Desired Outcome...** More children engaged in competitive sport activities.

### **Success Criteria -**

- PE Co-Ordinator effectively baselines data showing what competitive sport children access both IN SCHOOL and OUTSIDE OF SCHOOL.
- Baseline data is used to inform provision and to assess the impact of an increased offer.
