...where we are all inspired to learn

Tuesday 15th October 2019

Dear Parents and Carers,

I just wanted to take the opportunity to introduce myself.

I was lucky enough to spend the majority of my teaching placements at The Prince of Wales last academic year. I know many of your children from when they were in Year 3 and have taught a number of their friends in Year 1 last year.

I am really looking forward to my time in Year 4 and working with your children.

From what I have already encountered, they are a strong class who have a passion for learning.

Over the coming days, I would encourage you to introduce yourself to me. I will always be available at the beginning and end of the school day.

I will be attending meetings that may have already been arranged with Mr. Spracklen so that we can all be on the same page moving forward.

Yours sincerely,

Miss A White
Year 4 Class Teacher
