**Coming soon... ONLINE PAYMENTS**

Dear Parents and Carers,

We are very excited to announce that we are finally going to be able to administer payments online. Parents and carers will soon be contacted to set up accounts that will enable you to pay for all school items online including CAPOW Breakfast Club, CAPOW After-School Club, Trips, Visits and Extra Curricula Activity.

If you have children at other schools who use Agora you will be able to merge the accounts so you have all your payment information in one place. We are aware that Dorchester Middle School already use SIMS Agora, our chosen payment gateway provider.

More information will follow shortly.

Yours sincerely,

Mrs. J. Troughton  
Senior Finance and HR Officer
