Wednesday 17th October 2018

Year 2 CPG material

Dear Parents,

We have the opportunity as a school to do an order of CGP KS1 Skills Practice Materials. These may be useful if you are looking to support your child as they progress towards their end of Key Stage Assessments in June. They contain activities to support the learning that we will have covered in school in years 1 and 2 as well as give them opportunities to practise test type questions. There is absolutely no obligation to buy these materials, but they are very reasonably priced if you are looking for something like this to support learning at home.

If you would like to see some sample materials, they are available to view in the classroom. Please feel free to have a browse and see if these are something you could use at home.

Enclosed with this letter is a list of the resources available. Please complete and return with payment to the school office by Friday 9th November and we will put in a bulk order to get the best possible price for you.

Yours sincerely

Mr D MacBean
