Extra Curricula Clubs - Autumn Term 2019

Dear Parents and Carers,

Please find attached the Club Information Sheet for the Autumn Term 2019.

The Prince of Wales Policy

If more children express an interest for a club than there are places, then it has been agreed that the teacher will then operate a waiting list and take a different group of children each term.

The teacher in charge will communicate arrangements directly with parents.

Every effort will be made to hold all the clubs each week, with an agreement being in place between the teacher in charge and another member of staff in the event of absence.

Autumn Term Clubs will run as follows -

First Half Term - 7 Week Block -

Beginning - Monday 9th September, 2019

Ending - Friday 25th October, 2019

Second Half Term - 6 Week Block -

Beginning - Tuesday 5th November, 2019

Ending - Friday 13th December, 2019

To book your child's club place, please call into the school office.

Yours faithfully,

Mr. Gary Spracklen - Headteacher

Dorset Martial Arts

We offer what we believe is the best martial art system of training in your area. Taekwon-Do is an exciting and powerful martial art known for its dynamic kicking and hand techniques. Although these martial art techniques are centuries old, our classes are always evolving to keep pace with the rapidly changing world.

We realise that each student possesses different physical abilities. Size and strength vary with each individual. Once you have acquired a strong foundation in the basics, our classes will enhance your physical capabilities and maximize your self-defence skills. You will understand exactly what it takes, mentally and physically, to defend yourself or your loved ones should the need ever arise.

We are not interested in just teaching self-defence, we are interested in the complete personal development of each student. Individual attention is a feature of each and every class, allowing all students to progress quickly and confidently toward their personal goals. Our instructor takes her responsibility seriously as role models for younger students, teaching them the importance of strong character, leadership and good values.

The teaching curriculum for Dorset Martial Arts is based on two concepts: "positive mental attitude" and "high

goal setting." We feel so positive about our classes that we promise to give you and your family the most professional, well supervised and high quality classes available in any sport or art in your area.

Karma Kidz - 5:30-6:00 pm

Junior Taekwon-do- 6:00- 7:00 pm

Teenagers Taekwon-do - 7:00-8:00 pm
