# Play Along With MPN Staff I Feel Good

**Hello! We'd love you to be  
a part of our virtual band!**

- Use one of the parts to play along with the MPN Staff video or backing track on your instrument.
  - C parts are for most instruments like violin, recorder, guitar, keyboard.
  - Use Bb parts for instruments such as Clarinet, Chalumeau, trumpet, trombone and Euphonium.
  - Have a go at singing the song.
  - Don't have an instrument? Have a go at making your own percussion instrument or use some pots and pans!
  - Don't worry if you don't know all the notes, play the ones that you do and miss out the others.
- 
- Feeling happy with your performance? Why not get your teacher or parent/carer to film it and send it to us at Music Partnership North or share using #mpnlocalheroes? You must ask permission from an adult first!
