[Verse1]

[C]Blue Monday blaring loudly out the [G]speakers  
Flourescent liquid in his [F]beaker  
Another night they've gone too [C]far  
She [C]said "I don't usually do this [G]kind of thing,  
Does it change the way you [F]think of me?"  
Thinking isn't his [C]forte

[Chorus]

And [G]she [F]said  
If you [G]dance with me darling [F]  
If you [G]take me home [F]  
Will we [G]talk in the [C]morning?

[Verse2]

They [C]leave  
Weave around the night's [G]commotion  
And dodge a Mexican [F]stand-off  
Catch a cab back to his [C]flat  
There's no [C]romance  
Sprawled out across the [G]couch  
Can't even make his [F]face out  
An age old [C]ritual

[Chorus]

And [G]she [F]said  
If you [G]dance with me darling [F]  
If you [G]take me home [F]  
Will we [G]talk in the [C]morning?

[Bridge]

[Am]Sometimes I close my [G]eyes  
And [F]sometimes I see you're [C]fine

[Chorus]

And [G]she [F]said  
If you [G]dance with me darling [F]  
If you [G]take me home [F]  
Will we [G]talk in the [C]morning?
