Play Along With Miss McShane The Keel Row

Hello! I'd love you to be a part of my virtual band!

- Use one of the parts to play along on your instrument.
- C parts are for most instruments like violin, recorder, guitar, keyboard.
- Use Bb parts for instruments such as Clarinet, Chalumeau, trumpet, trombone and Euphonium.
- Don't have an instrument? Sing along or have a go at making your own percussion instrument.
- Make up your own arrangement of what to play on each section in the blank grid below.
- Feeling happy with your performance? Why not get your teacher or parent/carer to film it and send it to us at Music Partnership North or share using #mpnlocalheroes? You must ask permission from an adult first!
