## Science News

12<sup>th</sup> May 2021

Dear Parents

### **Plant Sale Tuesday, 25<sup>th</sup> May 3pm – 3:20pm**

Hopefully, you will know by now that every child in every year group has planted a seed in their class.

Windmills: Sunflowers

Year 1: Poppies, spinach and broad beans

Year 2: Garden peas

Year 3: Sweet peas

Year 4: Nasturtiums

Year 5: Runner beans

Year 6: Garden peas

We will be selling these plants after school on Tuesday, 25<sup>th</sup> May to raise much needed funds for our school. There will also be other plants available that people have kindly donated. If you have any surplus plants at home that you would like to donate, please bring these in on the morning of the 25<sup>th</sup> and leave them on a table outside the school office, with a label on them so that we know what they are. Many thanks in advance.

Plants will be sold for a donation of anywhere between 50p - £1 a pot. If you would like to purchase your own child's seed/plant, please send your child in with their donation on Tuesday, 25<sup>th</sup> May, so that the plant can be kept back (to take home) and not put out for sale and bought by someone else.

I am looking forward to seeing all the wonderful plants and produce that our children have planted and nurtured, and I hope that you are looking forward to buying them to take home and enjoy in your gardens and kitchens.

Kind regards

Mrs Gale

Science Coordinator
