Dear Parents

School Fund – Helping to make learning fun!

In the past, each year the school invites parents to make an annual voluntary contribution towards extra resources and materials or special events. Last year due to the pandemic we didn't do this, but as life (and our provision) returns to normal we feel it necessary to ask once again for your support through a voluntary parental contribution. The money provides us with a valuable fund to help meet the costs of extra enriching activities, from which the children benefit enormously. In the past, parents have been very generous and the fund has been used for items such as cooking ingredients, compost and gardening resources, art, craft and science materials, as well as resources to enhance Forest Schools.

The suggested voluntary contribution is £39 per child to cover the whole year, but all contributions are appreciated. Contributions can be made via SchoolMoney or by standing order directly into the school bank account.

Sort Code 309191

Account Number 00180605

(Please ensure you add your child's name as a reference)

We would be very grateful to accept either the whole amount of £39 per child, £13 each term or £3.25 a month or any other contribution parents feel able to make. In order for us to continue to provide the extra resources needed to make learning more memorable and fun, we do hope all parents will manage to make some contribution at some point over the academic year.

The contribution can be gift aided, as the school fund is registered as a charity. Please [Click here](#) to complete and sign all sections of the form if you are a UK taxpayer, so the school is able to claim the tax. There is no need to complete this form if you have already done so in the past.

Once again, thank you for your generosity and support. It makes such a difference to the opportunities we are able to offer.

Many thanks
