

Returning to School – Frequently Asked Questions by children

1. Will I be with my friends?

Maybe. The class teachers will decide which children will belong to which bubble. They will make the best decision for each bubble. Remember some children may not be returning to school just yet and some may need to stay with their Key worker bubble.

2. Will my special groups such as The Fun Club, Lego Club and Dolphins still happen?

No. For the time being we will be unable to run these groups as it is not safe for children to mix from different bubbles. As soon as we can, we will run the groups again because we miss them too!

3. Will we still get playtime and lunchtime?

Yes. Playtime and lunchtime will still happen but it will need to be different from normal. You will have these breaks just with the children from your bubble in an allocated part of our school grounds.

4. How will I stay safe?

The government are giving Mrs Phillips guidance on how to keep you safe at school. We must remember to stay alert and keep 2m apart from others, try really hard to only touch our own belongings and to wash our hands regularly. The bubbles will also help you to only mix with a small number of people each day you are in school. Remember, washing your clothes each day when you get home from school and wearing clean clothes to school the next day will help too!

5. Will I be able to have a hot school meal?

No. We have decided that it safest for everyone to have a packed lunch every day.
