12th October 2021

Dear Parents

Great Fire of London Day, Little Peppers – Friday, 5th November 2021

To bring our fantastic Great Fire of London topic to an end we would like to celebrate with an activity day based around this theme. The event will be held on Friday, 5th November 2021.

On the morning of the 5th, an artist will come into school and help the children create an individual Fire of London scene using felt. They will also bake bread (reminding the children the fire started in the bakery)! For this reason, we are asking for a voluntary contribution of £7.00 per child to buy the resources, pay the artist and the ingredients. This can be paid via SchoolMoney as usual.

In the afternoon, we are going to take our Great Fire of London half-term homework houses (more to follow on that) to the fire pit in Forest Schools and set them alight. We will discuss the weather conditions which contributed to the fire. This activity will be undertaken according to Forest Schools rules about fires and the children will be carefully supervised. They will also have the chance to eat their bread roll. They will also have other activities related to the Great Fire of London during the afternoon. Please can the children wear clothes suitable for our outside Forest School activities, as well as our morning craft/baking sessions.

Any food allergies or dietary restrictions which may impact on the bread your child can taste also need to be written on the slip below.

Please return the completed slip and payment by Thursday, 21st October 2021.

Kind Regards
Hayley Jeanes
