Dear Parents

School Lunches

It may seem a little early to be thinking of what your child would like for lunch in September, but the weeks are rushing by very quickly. We have looked at our school premises and spoken to our lunch provider. We have chosen new menus which we hope will be easy to manage in school during these unusual times and have come to the following decision.

We have decided that initially, for the first three days back to school (2nd – 4th September), we will only be offering KS1 the choice of free school meals. An information email with a google form link will be sent out to our new entrants, year 1 and year 2 shortly.

Therefore, KS2 children (years 3-6 incl.) should bring a packed lunch to school for the first three days.

We then aim to offer school lunches to every year group from 7th September and information regarding this will be sent out by Thursday, 3rd September. As usual, lunches will be booked via the SchoolMoney website.

As has happened in previous years, KS1 children can receive free school meals which are funded by the Government and KS2 need to pay for their meals, which cost £2.60 each.

Kind regards

Mrs R Phillips
Headteacher
