

Schools of Chesham Carnival has been going since 1974 and is a fantastic community event that the school love to be involved in. It's a great opportunity for your children to get dressed up and join in dancing with the parade through Chesham town centre. It is also more importantly a great money maker for the school PTA raising over £1000 last time we took part.

So, would you and your children like to be part of the H&C Float on 11<sup>th</sup> June 2022? If so we need your help.

Are you crafty? Do you like creating things? Do your children love a project with paint, cardboard boxes and glue? Or can you sew? Do you or anyone in your family enjoy making costumes and fancy dress? Or would you be able to help on the day? Directing traffic and helping with all the fun at the Fayre in Lowndes Park? We would love to hear from parents who would like to join the Carnival team and be part of this brilliant event to make it our most successful yet.

Please email your name and your children's names and contact details to [mrsscarriejones@outlook.com](mailto:mrsscarriejones@outlook.com). We will let you know more information when we have it.

Many thanks

Hawridge & Cholesbury Egyptian Float 2019
