House Leaders

House	Offa	Grazier	Peel	Ethelfleda
Leader	Amira S	Caeden F	Zac B	Reilly T
Vice Leader	Emily E	Cody R	Amelia Ba	Isabella S

Well done to all the children who have had 100% attendance so far- it is great to see all of the children back in school. The children are now fully back in to the swing of school life and enjoying the last of the good summer weather playing on the field.

After school clubs have started and the children are enjoying the full range of school activities again. Hook days and topic starts have engaged the children from Vikings to animals and super heroes.

All of the information about the children's learning is on the school website including:

- A break down of what the children will be learning each half term
- A break down of what each child should know and be able to do, in each year group from EY to Year 6

If you feel that you need to talk to your child's teacher about their learning please contact them through e- schools to make an appointment. Full face to face Parent Evenings will resume in January

Thank you from The Woodlands Team

IMPORTANT PE message

As a school we follow national guidance for PE that states that children ARE NOT PERMITTED to wear jewellery [including earrings] for PE- this is to protect them and the other children from scratches, tearing or pulling.

Please ensure that your child either takes out their earring/s the day of PE or is able to extract them themselves before the lesson. Necklaces should also not be worn.

The wearing of a plaster is only permitted in exceptional circumstances and staff are not permitted to administer plasters. IF, for a short period of time your child needs to cover the earring with a plaster please send your child with them.

Help We all know that the children have, through no fault of their own, missed many months of learning due to the pandemic. We are working with the children to help them learn all that they need to know and do at their relative age group. However, we still need extra help at home- PRACTISING

In school we can help the children learn and apply skills but they need daily practise to help embed the skills- please help by practising reading, spellings and times tables every week. We are currently reviewing our homework and also out of school learning tools to help families practise more at home.

Gates and Parking Please help protect the children and keep them safe by lining up against the hedges- this allows people to walk past on the path. Please also obey the yellow markings along the road outside school and ensure you park appropriately by our neighbours' drives-thank you.

PTA Thank you to everyone who attended the meeting this week—it was good to see 9 families there- If you were unable to attend but can still volunteer some time to help please contact the school.

We are planning an October Disco and ways of sharing key dates with families.

Halloween Disco 20.10.21 More details to follow- but we are trying to get activities for children started again. KS1, 4.30-5.30pm KS 2, 5.45- 7.00pm.

ParentPay Please make sure that your ParentPay Account is up to date- there must be credit for children to order lunch.

27.9.21 Parent Week - contact teacher if need consultation
