

Bishop David Brown School

Vision Statement

"To be an outstanding school, providing a stimulating educational environment enabling students to achieve their full potential."

Dear parent/carer,

As Head of Year 7 at Bishop David Brown School, I would like to take this opportunity to welcome you to the transition section of Broadmere's website. Below you will find information regarding transition to Bishop David Brown School and a link to the transition section of our website, where more information can be found.

Transition for our 2020-21 cohort proved to be a challenging yet exciting time. We had to find new and innovative ways to communicate with our feeder schools ahead of our students' arrival in September.

We also worked incredibly hard to ensure that all transition and general school information was communicated to parents / carers. Despite the difficulties we faced as a country and globally, we are proud of the transition programme we were able to offer and our students had a smooth transition from Primary School and excelled at becoming part of the BDB Community.

Rising to the challenges that we were faced with, has without a doubt, enhanced our usual transition programme. Bishop David Brown's CLICK values (challenge, Learning Mind-set, Independence, Creativity and Kindness) were embraced throughout the transition phase, and will continue to enhance our transition programme for our 2021-22 students.

Further information regarding our transition programme can be found on the transition section of our website:

We look forward to welcoming our new intake to the Bishop David Brown community and being part of their exciting journey to become exceptional.

Kind regards

Mr D Roberts,

Head of Year 7
