

Remote learning during school closure

Dear Parents/ carers,

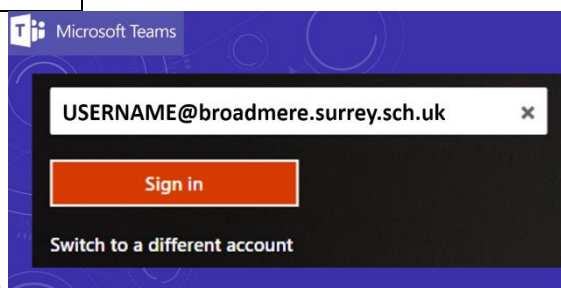

Due to the school closures announced this week, teaching staff will be providing online learning via Microsoft Teams. This will be available from Wednesday 5th January. It is vitally important that you make every effort to support your child in accessing the online learning. We do expect every child to be in attendance online to access their curriculum.

Your child's class teacher will be posting a weekly timetable on their class team to inform you about the lessons that will take place over the half term. They will post recorded lesson introductions, resources and activities to support your child's learning at home. In addition to this, there will be a daily assembly at 9 a.m. for the whole school to attend, before lessons will commence for the day.

All lessons will be available to access at any time, once they have been posted to the class team, in case your child is unable to complete them at the scheduled time.

Each day, there will be a 'check-in' meeting with your child's teacher that all children in that class must attend via Teams. This will be similar to registration time at school and provide an opportunity for your child to check-in with your class teacher each day. To help families who have siblings in a different class, the daily check-ins will be staggered at different times. Please make sure you log in to Teams 5 minutes before to make sure that you are online.

Time	Year Group
9-9:15am	Assembly
9:20-9:40	Year 1
9:40-10:10	Year 2
10:10-10:40	Reception
10:40-11:10	Year 6
11:10-11:40	Year 5
11:40-12:10	Year 3
12:10-12:40	Year 4

To access Teams go to www.office.com

All children have learnt how to access Teams in school, and they have their own individual login and password to allow them to access this at home. You can contact the school office if your child is having difficulty accessing Teams.

We truly appreciate your ongoing support as we work together to provide your child's education in these continued challenging and turbulent times.
