Challenge, Creativity, Compassion: Create a pure heart in me – Psalm 51:10

Year 6 Special Edition

This week we have prayers written by Miss Gant's bubble about each of our lovely Year 6s

Year 6 Bubble Activity Week

Children in Year 6 share this week's activities:

On day 1 of this week we did arts and crafts and we all used paint and coloured paper to make a scene in school. It was really great fun and the last arts and crafts project for one and a half months.

In Forest School we built a huge fort. It had a pallet as a wall and sticks and logs as another. The fort was the best den we have ever built in Forest School. We made a campfire and ate homemade toasties with either cheese, ham or jam! I'm really sad I can never do it again. We also made tea and hot chocolate. I hope other people will have much fun as we did.

On Thursday morning we had a Bake Off. We made shortbread from the Jamie Oliver recipe. Mrs Gibbs was in the room but we did it on our own. We could make them in any shape we wanted. The teachers judged our biscuits. We all loved getting our hands sticky!

On Thursday we had an afternoon full of sports. We played rounders, football and hockey. Rounders was my favourite one but football was really fun too. This is the last sports we will do with our friends at Cavendish. I really enjoyed it.

This morning we had Afternoon Tea! There were cakes, shortbread and donuts. There was tea and sparkling and still water. We got to have our drinks in china teacups and I really enjoyed it.

Challenge, Creativity, Compassion: Create a pure heart in me – Psalm 51:10

Year 6 Leavers' Speeches

James

I have been here for 7 years, I have enjoyed every second of it. I remember the very first day when I felt so nervous but the staff cheered me up. I was always a shy person and didn't talk to anyone until I made some friends. In year 3 and 4 I was less shy and made more friends than before. In year 5 we went to Letton Hall and shared a room with friends, go-karted, ate treats round a bonfire and stayed overnight. We were the first group from Cavendish to do a play with the Royal Shakespeare Company. We went to London when we were doing The Great Fire of London. We did the Peace Child in Saturn class. I also enjoyed working from home during the pandemic. I really need to thank the staff for all of the support throughout the all 7 years I been here. My shyness has gone and I feel confident all the time. I couldn't believe it when I was house captain but we weren't in school for the whole year because of the coronavirus outbreak. I will miss Cavendish primary and I am so thankful for the experience.

Moving on I will want to raise awareness for young people who want to bake when they are older but don't have the confidence to say. I also want to go forward in history and drama. Thank you and goodbye.

A prayer for James

Dear God,

Thank you that James is a caring person. Thank you that James has been a great house captain for the dolphins. We pray that James has a wonderful time at his new school.

Amen

(Lindon-Lee)

Lydia

I joined Cavendish when I was in year four. I remember my first day, I walked in with my curly hair and everybody stared at me. It was a bit awkward but I knew that it was normal for people to stare at me because i was the new girl. Even though I have only been here for three years I have more memories than I can count, but I do record the time when Paige and Shannon came up to me and said "do you want be our friend?" before I even got to say yes or no they dragged me away. It was a strange day but I ended up with some amazing friends.

I would like to say thank you to my friends: Paige Shannon and Ruby for helping me through the past three years. Paige is the person that if you just need to get something of your chest she will sit down with you and listen. Shannon is the funny one who will brighten up your day. Although she is unique she is a great friend. Ruby is amazing, kind, generous and understanding. I would like to say thank you to all of the teachers at Cavendish who helped me get to where I am. So thank you. Thank you for showing me amazing things like when we went to the newly built mosque or when we visited Gainsborough house. Thank you for teaching me things I never knew were possible.

When I move on to my new school, I hope to achieve many great things. I hope to become a great cook in food Tec. I am a bit worried to go to secondary school but I know that with the help of my friends we will get through it together.

I am going to miss Cavendish. Cavendish to me was or is not just a school its one big family. A family so different from a normal family we are all so bouncy and very noisy! I'm going to miss it so much. Good bye Cavendish.

A prayer for Lydia

Dear God,

Thank you that Lydia is a good friend to others. Thank you that Lydia was a great Eco Councillor and helped to organise litter picks and bird feeding. We pray that Lydia will make lots of new friends at her school and learn lots of exciting things.

Amen

(Quinn)

Ruby-May

I have had a great time at this school and I've had lots of good memories with all my friends

One of my favourite memories was when we went to Letton Hall and we did an activity with water we had to cover holes to stop the water from coming in. But the water sprayed me all over me and got me wet. One of my other favourite memories was when we went to a mosque and because we were early we got to play on a really big log. We had our photograph taken. My last favourite memory is when Paige ,Lydia ,Shannon and I were rolling down

A prayer for Ruby-May

Dear God,

Thank you that Ruby is always nice to people. Thank you that Ruby

a hill and pretending to be jam roly polys.

Because I started at a small school going up to a much bigger school which is about 20x the size of this school it is a bit scary. This school has about 90 people and the school I am going to has about 1,800 people which is a big jump for me. I would like to thank Paige for helping me and coming up through the years with me.

The trip that I most enjoyed is the Royal Shakespeare Company in Ipswich, because it was a great opportunity and it gained my confidence in acting, I played Juliet in Romeo and Juliet. The other trip I am grateful for is Letton Hall because I had never been on a go-cart before and I never knew how fun it is. Goodbye Cavendish I will miss you

Archie

My time at Cavendish has been amazing. I started in reception with Mrs Lewis, at the start I only did half days and I slowly started doing longer days. I was always obsessed with tractors; I had a tractor book which I took to school and looked at it every day for about 2 weeks.

In Jupiter I remember going to the zoo and seeing all of the animals. I also remember going to London on the bus for the great fire of London and that was my first long trip and I remember when I saw a crane on the road and I was so excited. That was one of the best school trips.

In Saturn we did some really fun plays. I think that Mrs Clarke did a really good job of casting the play. We performed peace child and the Golden Fleece and I was Jason I also remember when each Thursday we went swimming and we walked back to school which was great fun. In forest school I made an awesome den and we made damper bread, which was delicious.

When I got to Neptune I was so excited to be a house captain in year 6. And it was sad I didn't get to complete the year but still I got to experience it. I also enjoyed Letton Hall in year 5 the go-carts and also staying up by the fire and eating sweets, It was so much fun.

When I move to secondary school I am really looking forward for art, maths and PE. I also want to explore new subjects.

All the staff at Cavendish have been brilliant and really supportive. I also want to thank my friends Michael, Ethan, Ruby and Lexi for always being there for me. Thank you Cavendish. I will never forget you

Shannon

I joined this school on the 20th March 2017. I started in year 3 with only one friend, Ruby. It was all so strange for me starting as a new school in the middle of the year.

I remember becoming friends with a girl, her name was Paige, my very important best friend. We instantly became best friends and could not be separated.

During year 4, I had many more friends including Lydia mostly known as Dids. It was great fun and I would love to be in year 4 again.

In year 5, we had many plays like Romeo and Juliet and Twelfth Night. My favourite role was being the nurse in Romeo and Juliet and getting to shout "Juliet oh Juliet!"

My favourite school trip of my years of being here was Letton hall. Reason one : we were there on my birthday and reason two: I got to share a room with Paige, Diddy and Ruby. I thought it was fun when we all were all just laughing our heads off.

There was a day when Paige and I did a stem activity. We made elephant toothpaste, working toy cars, making a game on scratch and math activities. If I could describe my friends in a couple of words it would be:

Paige: a trustworthy and mad friend

helped the school council by organising Children in Need. We pray that Ruby makes lots of new friends at her new school and learns lots of interesting things.

Amen
(Maggie)

A prayer for Archie

Dear God,

Thank you that Archie helps me when I am sad.
Thank you that Archie has been a good house captain for the sharks. We pray that Archie will make lots of new friends in secondary school and learn lots of Maths.

Amen
(Maddison)

A prayer for Shannon

Dear God,

Thank you that Shannon is a nice and loving person.
Thank you that Shannon helped the Wellbeing Council. We pray that Shannon makes lots of new friends and learns lots of fun things.

Amen
(Bobby)

Archive Work

Archive work is ready for collection. Children who are learning at home may phone or email to arrange collection before the end of term, or the books will be kept in school to return in September.

Kingswood Residential

Our communication with Kingswood continues and we are being supported by Suffolk County Council in our negotiations. We had hoped that this would be resolved before the end of term but will be keeping contact details of all children who were scheduled to attend this visit so we can pass on any financial outcomes to families when it is resolved.

Headlice

We have had a case of head lice reported to us. Could you please check your child's hair today for any signs and treat accordingly. Thank you

Autumn Term Information

We will be issuing another Newsletter next week and also sending a written letter to every family over the summer outlining plans for the Autumn Term. Please note that all children are expected back in school on Thursday 3rd September and each class will be operating as its own bubble.
