Cross Country Event – The Weald School Billingshurst

35 Children from across Key Stage 2 (Year 3,4,5,6) took part in a cross country event at the Weald School. In very muddy and difficult conditions all of the children ran really well and did their best to complete the course, some running to the finish line with their shoes in their hands after becoming stuck in the mud! The scores were based on the placings of our top 6 runners and we came a respectable 4th in the Year 3 and 4 races, 6th in the Year 5 and 5th in the Year 6 races with some good individual placings with Aston Year 4 and Jessica Year 6 who came 3rd in their races. A huge well done to all who took part. A special mention has to go to Jake (Year 6) and Tom (Year 6) who stopped their own races to help pick up Avia and get him back on his feet (he had been out in front in first place) after he slipped quite badly in the mud. Great teamwork!
