

'walk as children of light'

Year 1 Team

Miss Rees

I have been teaching at Hardwicke for nearly a year now. I have loved my time here and it has been a privilege to teach and get to know so many brilliant children. I strive to encourage children to develop their own 'love of learning' by making my lessons exciting and challenging. I have lived in Cheltenham my whole life and have recently graduated from the University of Gloucestershire with a BEd (Hons) in Primary Education. My favourite subjects to teach are Science and Maths. I enjoy baking cakes, reading a good book in the sun and going to the beach to swim in the sea. I regularly participate in local 'park runs' and have even ran in the Cheltenham Half Marathon. I am very much looking forward to getting to know all the new pupils coming up to 1R.

Mr Walsh

I have been at the school for four years and have enjoyed working in both key stage 1 and 2. I am currently PSHCE lead and work alongside Mr Pegg to promote sport across the school and have organized lots of sporting events this term. I am looking forward to teaching in year 1 and helping children to achieve their full potential and shine in all that they do.

In my spare time I enjoy spending time with my daughter, Bonnie, playing football for Shortwood United and supporting the best team in the Premiership, Chelsea.
