'walk as children of light'

YEAR 4 TEACHERS

Mrs Walpole

I have been teaching at Hardwicke since 2007 but have been involved with the school for a lot longer as both of my sons, Tom and Luke, came here and enjoyed every minute. I love teaching and am really looking forward to getting to know my new class and to teaching in a new year group with Miss Wright. My favourite subjects are English, History and Art, but the one that gives me the greatest "buzz" is maths: I love it when we see those "lightbulb" moments when someone has just "Got It!" Outside of school I love reading, cooking, swimming and horse riding – when I can. I want to do my best to ensure that EVERY child not only gets a great education, but also enjoys their time at Hardwicke.

Miss Wright

I am really excited about moving up to Year 4 with my class as I feel that I have got a good relationship with them. I grew up in Hertfordshire until I was 19, then moved to Cheltenham to study teaching at university. After I graduated, I started teaching at Hardwicke Academy in 2019 and since then I have been in Year 3. I'm really excited to teach a new year and work alongside Mrs Walpole. My favourite subject to teach is maths although I really enjoy the deep and rich discussions that come about during RE lessons. Outside of school I love to bake, spend time with friends and family and discover new places. I want to make sure that all children reach their full potential and have fun along the way!
