Dear Parents/Carers

Due to the ongoing restrictions we are currently unable to take the children off site to compete in the annual sports competitions which we all look forward to during the autumn term. However, we are going to run some intra-school and intra-house competitions in their place on site.

During this half term we will be running an outdoor pentathlon athletics competition and a cross country challenge.

All children will be expected to take part and have a go. For those keen runners, the cross country can be timed and their scores submitted to our School Games Organiser to be ranked against children from other schools. For those less keen for competitive running the challenge will be to complete the 1500m run/walk in their own time.

The pentathlon events are chest push, long jump, vertical jump, speed bounce and 10x10m shuttle run. This is a national virtual competition and we will enter our scores for each year group once completed. Most of the children are familiar with these events but if they would like to practice at home all the details can be found on the attached document.

In order for these events to run I would really appreciate a few parent volunteers to act as judges to measure and score the events. If you are able to help on any of the following afternoons for a couple of hours I would be very grateful. Please return the slip below or email me bryonys@wivelsfield.e-sussex.sch.uk

Thank you in advance for your help and support.
