Dear Parent / Carer,

What a busy start it has been to my Headship at Granta! This first term has been full of both positive experiences and weighty challenges and I would like to thank you all for your ongoing support through these unsettling times.

Since joining in September, I have been busy discovering everything that is amazing about Granta alongside identifying what we need to do to be even better. In 'normal' times, I would have invited you all in to meet you in person to share some of our key priorities for the school and to tell you all about the developments that we are working hard on.

As this is not possible in the current climate, I am going to be putting together some short videos to share with you all, to ensure I am keeping you up-to-date with what is going in.

I want to ensure that each and every family receives the links so that no-one misses out on these key messages about the school's development areas, overall vision, values and curriculum.

We have been sending regular correspondence out by email, including reminders and letters. If you have not been receiving these, please contact the school Office on 01223 896890 and give us your current email address. This will ensure you don't miss out on access to the upcoming video links and any future letters and reminders. Alternative, please complete and return the slip below.

Thank you again for all your support and I look forward to a time when Granta can again organise whole school events, where I will finally get a chance to meet you all face to face.

Yours faithfully,

Ruchi Datta
Headteacher
