Twitter @UrsulaTaylorSch

Ursula Taylor is a popular and successful Primary school for children aged 4 – 11. We serve the community of Clapham and the surrounding area including Bedford. Our school is located on the main road through Clapham close to the Church and local shops.

We have two classes in each year group and children leave us at the end of Year 6 to start Secondary Education.

Our ethos is led by our desire to meet the needs of all of our children, through academic focus, social and emotional support and by providing a rich curriculum. Our provision is designed to engage our children's creativity and curiosity and to offer varied experiences and opportunities.

We want children to love being at our school, to take pride in their learning and to feel part of our school family. We want children to be resilient, confident, respectful and kind. We believe that through teaching the importance of values, our children will grow up being happy, tolerant and understanding.

Visits to see our school are warmly welcomed. To make an appointment, please email:

## 'Active Kids' wraparound Care

We have a breakfast and after school club which means children can be at school from 7:30 – 6pm each day.

This is run by staff who work on school during the day, this means they know the pastoral needs of our children incredibly well.

We also run an Easter and Summer Holiday club for some of the break to support parents who need to work and to give children a fun, social experience.

## Our Phoenix Club and Well-Being support

At Ursula Taylor we believe that children learn best when they are happy, settled and coping with the challenges that life throws at us. In addition to the support we offer in class, we have a dedicated club for children to attend if they need a little extra to build resilience, learn to understand their emotions or just need a boost in confidence. Phoenix club is a mix of nurture sessions and 'Build it' club when children learn to create things through woodwork to support their emotional development.

## What do inspections say about Ursula Taylor?

In October 2019 we had our latest inspection and were again awarded the judgement of 'Good'

The full report is available on our school website alongside our last Church School Inspection, where we were graded to be 'Outstanding'.

'They (children) show very positive attitudes to their learning. Disruption to learning is rare'

'Attendance is high and all pupils make good progress and achieve well'

'Staff care about pupils and champion their right to a full education'

'Pupils personal development is provided for well. They thrive in the positive ethos that has been created in the school.'

At UT we have spaces available in all year groups, if you would like to come and see what we do or find out more, please do get in touch to arrange a tour of the school with our Head.
