

Reception home learning – Thursday 08/10/20 and Friday 09/10/20

Our number this week is 3. Please practise forming the number 3. Can you find sets of 3 objects around your home?

Please complete the following Numberblock sentences. The children can draw the number sentences to record. Remember – you can also use your fingers to help you add and take away.

When adding numbers together count them altogether to find out the total. When subtracting, cross out the amount you are taking away then count out how many are left.

You can watch Numberblocks to help with the understanding of number. For number 3 – the episode is available on BBC iplayer – Cbeebies – Series one – Three

	-		=
	-		=

Maths – Please complete the White Rose Maths activities that I have attached for Thursday (Session 4) and Friday's (Session 3) Maths lessons.

You can find videos to support your child's learning in these sessions by clicking the following link and looking at session 4 and 5. <https://whiterosemaths.com/homelearning/early-years/its-me-1-2-3-week-1/>

In phonics please practise the sound m. The action we use to remember this sound is rubbing our tummies like we are hungry and say mmmmm. Today's phonics activity is on www.phonicsplay.co.uk – Buried treasure – Phase 2 – letter m.

This week's spellings are:

Week 1

sat

pat

is

at

tap

In Reception we practice writing our names every day. Please practise this at home and help your child to form the letters correctly.

Please practise reading and writing these words.

This week we have been learning about autumn. Your topic activity is to look out of the window or in your garden to see if you can spot any signs of autumn. Tell your adult at home what colours you will see on the trees in autumn. We learnt new vocabulary to describe the leaves. Can you make a picture of an autumn tree?

Read a story and talk about the characters in the story with an adult.

Remember to read your school reading book each day.

You can email any work your child has completed to reception@moornook.lancs.sch.uk.
