

### Personal, Social and Emotional Development.

In PSED we are focusing on playing together in games and turn taking. We are also going to talk about the feelings of others through the characters in our class text. We will also look at behaviour and the consequences through the class text and how we can make it better. Our value this half term is empathy

### Physical Development

In PE we will focus on the fundamental movement skills such as, running, catching, throwing and balancing and we will begin to gain much more control in these. We will continue team games and playing co-operatively together. Each week we have dough disco sessions to improve our fine motor skills. In handwriting we will practise controlling the size of our letters and make sure we are forming the letters correctly.

### Communication and Language

We will be reading the story 'Naughty Bus.' We will focus on the characters and how they are feeling. We will also re tell the story through role play. The focus will be on developing story language and narratives.

In our Space topic we will focus on asking questions using why, where, when, how and why.

### Mathematics

In Maths we focus on the understanding of numbers from 10 – 20, building amounts within this range. We will order numbers from different starting points for example 8 -19. Using objects, we will add and subtract amounts to 20 and begin to record number sentences. In shape, space and measure we will learn about measuring height and length as well as recapping 2D and 3D shapes.

## Dinosaurs Naughty Bus and Space

### Literacy

In our reading sessions we will focus on reading simple sentences using our Phase 3 phonics knowledge. In Literacy and Phonics we will be writing simple sentences using Phase 3 sounds and tricky words. We will also continue to recap our Phase 2 phonics in order to be secure within this phase. Please continue to practise reading at home.

### Understanding the World

We are learning about Dinosaurs and Space. We will continue to work on our understanding of the concept of time. We will be find out information and learning facts about Space using books and the internet to find out the information. In RE we will learn about 'Our Special World.'

### Expressive Arts and Design

We will mix paints to make new colours and explore different textures and media/materials to make pictures. We will also make props to support our role play. In the outdoor are we will construct using junk modelling resources on a large scale.

### Class- Reception

#### Can you help?

Practise recognising the phase 3 sounds on the sound mat and phase 3 tricky words. Continue to read their reading books each night. Please complete the 50 experiences sent home each week.
