Date

Wednesday 9th September 2020

Dear Parents and Carers,

Following our risk assessments, we are pleased to be able to resume our Early Birds Provision from **Monday 14th September**. Early Birds will run from 8am to 8:45am and then children will be sent to class ready for an 8:45am start. There will be several changes so that we can ensure that we maintain our Covid-19 precautions. Please read the points below carefully and keep a copy for your information:

- All pupils must be booked in on Parent Pay for Early Birds by midnight on the day before. **If pupils are not booked in, they will not be admitted.** If you have any issues booking, please contact the school office.
- The cost for Early Birds is £2.50. **Pupil Premium children will not be charged and are not able to book on Parentpay at the moment, please ring the school office to book a place.**
- Pupils must enter school via the **wooden gate to the right-hand side of the main entrance, which will be open just before 8am.** Last entry to Early Birds will be at 8:30am and the gate will be closed at this time. Please exit via the same gate following the yellow arrows.
- Early Birds is only available to pupils in **Year 1 and above** at this time.
- **Parents must accompany children to the New Hall** external door where they will be signed in and go straight to wash their hands.
- To support social distancing between different bubbles, children will be outside for the majority of the time. Children must come with suitable warm, waterproof outdoor clothing and shoes.
- Pupils will receive a drink of juice and a choice of toast or crumpets with the usual accompaniments.

Thank you for your ongoing patience and support,

Yours sincerely,

Adam Richards
Headteacher
