This week's focus: Football v Newquay Junior School

On Thursday evening our year 5/6 football team took on Newquay Junior on our school field. Despite the ball sticking to the pitch like glue because of the mud, we were three nil up at half time with some brilliant shots on goal from Liam, Callum and Seb. In the second half, playing into the sun, Newquay Junior came back at us and quickly drew level despite the courageous efforts of Ryan in goal. As the sun went down Newquay managed to squeeze 2 more past our heroic defence eventually winning the game 6 to 4. Many thanks to all the parents who came to watch and support the team and a special mention to Mr Watts for organising all the subs throughout the game.

Bible passage of the week:

All this is for your benefit, so that the grace that is reaching more and more people may cause thanksgiving to overflow to the glory of God. There we do not lose heart, though outwardly we are wasting away, yet inwardly we are being renewed day by day. **Corinthians 4:15-16**

Harbour and Watergate

In Year 2 we have enjoyed dressing up for Children in Need and donating our spare change to Pudsey. We have continued to learn about World War 2 and what life was like for Evacuees and have started our Geography block looking at countries involved in World War 2 and seeing if we could find the countries in the Atlases.

This week we have also started working out maths word problems and practising the songs for our Christmas production, the children are already sounding fantastic.

Decorating Day

We are very excited to announce that on Friday 6th December we will be holding our annual 'Decorating Day' in school. You are warmly invited to come along and join your child in their class to help decorate the classroom and take part in Christmas craft activities. Please sign up for this activity with your child's class teacher, sign up sheets will be displayed in your child's classroom. If you are unable to sign up in this way and would like to take part please contact the school office who will be happy to help you.

KS2 will have a morning of decorating and EYFS and KS1 will have a whole day of decorating.

Christmas Lunch

Our school Christmas lunch is now going to be on Friday 13th December rather than the 6th, it will be the same day as Christmas jumper day.

Book tokens from the Sun

We have recently registered our school with The Sun newspaper, who are offering primary schools a chance to claim a set of free books for our school, worth over £600! If you are able to collect tokens from November 23rd to January 18th 2020 from the newspaper and send them in to the office we would be delighted to receive them. We need to collect 3500 tokens to be in with a chance of claiming!

Thank you in advance

Gannel and Whipsiderry

Last week was Inter faith week and we looked at Buddhism. In Buddhism, in November, every year they have a festival called The Festival of Kathina. The festival is where they give a gift of cloth to the Buddhist Monks. The Monks are not allowed to buy anything, or own anything and the cloth is donated to them. The community make Kathina Trees and decorate it with offerings.

Class Attendance

Whole school attendance is currently 95.7%, This week's attendance award goes to Crantock Class with 99% attendance.

Gates

Please note that both gates are locked at 8.55am each morning as that is the start of school, at the end of the day the gates will be locked at 3.25pm prompt. Thank you.

School Menu

Reminder— Our new Menu is now on our website, please note we will not be serving sandwiches for the Autumn 2 term but freshly made soup and bread each day. Please book on Parentpay as normal.

Parentpay

Thank you to everyone who has made bookings for Early Birds and Lunches on our system. Please ask at the office if you have any questions regarding Parentpay.

Nursery Closure

Little Fistral Nursery will be closed on Thursday 12th December to enable that room to be used as a polling station.

Gannel Class also visited Trenance Gardens this week to help Newquay Rotary Club plant bulbs for their 'Purple for Polio' Campaign. Across the country the Rotary Club helps to plant millions of purple crocuses every year to raise awareness for efforts to end polio. It was a great afternoon and the children loved helping out planting the bulbs.

Crantock

This week Crantock have been learning about the tragic event that happened in Cambourne 1919. The miners had been mining when something snapped causing the mineshaft to collapse. Luckily, 12 men made it out alive. The students were put into groups to act as if they were reporters at the scene. Crantock have also been learning about what miners faced when going down in the mines. For example, Rock Slides, lack of oxygen, poisonous gas, flood, random holes and fire. Most of the children in the class thought it was fun and exciting but also a bit nerve racking acting as the miner or reporter. In conclusion Crantock have had a fun but busy week.

Rings 2nd silver

Overall silver.

Great work Stanley keep up the good work!

Children in Need 2019

School went absolutely dotty last Friday for Children in Need. The whole school was seeing dots and spots everywhere as children dressed up in their spottiest outfits for this worthy charity, which is celebrating it's 39th year. Children also filled a giant Pudsey face with their spare change to raise money. A massive thank you to all the children, parents and staff for going all out to raise an incredible £462.21.

Read this brilliant outstanding letter to Jesus by Scarlet Gibbons

Friday 22nd November

Why did Jesus want to help the leper?

Dear Jesus,

I wanted to write to you to say how grateful and thankful I am and to say how life is. Firstly, I am so grateful for you to heal me when no one would even talk to me. Back then, I was always so down and depressed I just felt like my life had no light. So when you touched me and healed me I felt honoured and you put the light back in my life. Ever since that day I pray every night. Also, life with family has been amazing ever since I've been eating real proper food it has been great. Finally I've got a question. Why did you reach out your hand and touch me? Ⓢ

From Scarlet

Mr Richards would
love to see my work.

* Scarlet, this is outstanding writing, full of emotion and deep thinking. It makes me proud to be your teacher. Well done!

There's a very good chance you've heard of Fortnite, but what exactly is it? And why is it so popular amongst young people? Fortnite is an online multiplayer "battle royale" game developed by Epic Games, and is playable on Playstation 4, Xbox One, Nintendo Switch, PC and mobiles. It gained popularity in late 2017 and has since become the biggest game in the world, thanks to its rapid and engaging gameplay. As with most games, Fortnite itself is a highly enjoyable and safe experience, but it pays to be vigilant, as the safety is not water tight.

What parents need to know about FORTNITE BATTLE ROYALE

BATTLE ROYALE

Battle Royale games have become very popular over the last couple of years, and most tend to follow a very similar setup. Taking Fortnite as an example, 100 players drop into a map, loot buildings for weapons and armour and attempt to beat all the other players to be crowned victor at the end. If you've ever seen the Hunger Games movies, you'll have an idea of what this entails. Each game can take up to 20 minutes (assuming you beat to the end) and can be restarted relatively quickly once 100 free players have been found.

IS FORTNITE ADDICTIVE?

Fortnite is at the forefront of gaming addiction discussions because it is so popular with young people. But whether it actually contributes to gaming addiction is up for debate. WHO (World Health Organisation) have classified gaming as a legitimate addiction, but this is not solely a concern with Fortnite. Signs of addiction can include irritability when not playing, lying about the amount of time played and a preoccupation with thoughts of the next gaming session. Realistically, it must be down to parents and carers to recognise these symptoms and act accordingly if they think they are developing.

FREE TO PLAY... OR IS IT?

While Fortnite is technically free to play (in that you can download and play it without paying) it does come with the caveat that spending money on things like skins and emotes in-game is heavily pushed to players. The currency used in-game is called 'V-Bucks' and can be bought with real money through the game's online store. It's worth remembering that these purchases are absolutely not necessary and cosmetics only and that V-Bucks can be earned in-game with enough play time.

SEASONAL UPDATES

Every 10 weeks or so Fortnite is updated with a new season. This essentially adds new things like skins and emotes to the game, while also sometimes changing up the game map in interesting ways. These seasons are free to everybody and don't require additional money to play, though battle passes for each season can be bought with V-Bucks. A battle pass will typically allow a player to earn exclusive loot and gain fun in-game items by completing a host of daily challenges.

CROSSPLAY IS AVAILABLE

One of the wonderful things about Fortnite is that it can be played cross-platform. This means that no matter what platform a person plays on (PC, Playstation 4, Xbox One etc) they can play with friends who own the game on a different platform. To do this, an Epic Games account must first be created online (which is free) and then linked with your platform account. Doing this removes the age-old headache of not being able to play together because you don't have the same console and opens up a whole new world of playing online with friends.

IS FORTNITE VIOLENT?

Fortnite has been rated by the ESRB (Entertainment Software Ratings Board) as 'Teen', as it contains cartoonish violence and the weapons and acts depicted in the game are some way removed from their real life inspirations. Characters don't draw blood when shot and instead of dying, they are simply beamed up off the map. Naturally, parents (because that's the recommendation age limit) will want to play the game and that should be at the discretion of parents and carers.

Top Tips For Parents

BUYING V-BUCKS

As mentioned, Fortnite does contain in-game purchases and microtransactions in the form of V-Bucks which can be bought with real money. If you do decide to let your young one spend money in the game, be sure to delete your card information afterwards as it can be very easy to purchase more items at the press of a few buttons. It's important to set a limit on any purchases (as mentioned they are absolutely not necessary to play the game) and a suggestion would be capping the spending at around £50 - this is the normal retail price of a game.

GAMING WITH STRANGERS

Fortnite Battle Royale is an online game, and as such, there is a chance that young children could come into contact with strangers who are randomly placed into their groups in a game. It's difficult to predict what another person might say or do in a game, so it's a good idea for friends playing together, to be grouped together. The only real countermeasure to interacting with strangers offered by Fortnite is to turn off all mic communications, which can be done in the game's settings. Using outside chat apps, like Skype or Discord while playing, is a great way to make sure you know who you're talking to and that nobody else is listening in.

LIMIT TIME, BUT BE FLEXIBLE

A game of Fortnite can last up to 20 minutes, so be flexible when it's time to put it away. The approach of 'one more game' as opposed to '10 more minutes' will stop any complaints that a match is still ongoing. Better still, play with your child and take it in turns that way you're helping control the time played and can keep an eye on what they're experiencing.

TALK TO OTHER PARENTS / CARERS

If you're concerned about play time or spending money in the game, talk to other parents and carers of your child's friends. If you approach as a collective, it will be easier to know when their friends are online and you don't have to worry about who they're playing with. It can also help curb expectations on spending money on battle passes and skins if you stick together.

CAN DEVELOP SOME IMPORTANT SKILLS

It's often overlooked just how good gaming can be for young people. Fortnite encourages team play, quick and complex problem solving and communication; that's not to mention the lightning fast reflexes gamers can develop. While taking breaks to do other activities is of course important, there are benefits to screen time which might not be immediately obvious.

PLAY THE GAME YOURSELF

There's no substitute for sitting down and playing the game yourself to learn all about it. Fortnite is available for free on almost anything you can imagine, even your smartphones, so there's never been a better time to get involved and see what all the fuss is about. You never know, you might even be able to impress your children when you show them your impressive Victory Royale tally.
