Dear Parents and carers,

Under current government guidance your child is entitled to a free school meal.

Whilst we are waiting to receive specific guidance from the Department for Education on the scheme to support children who are eligible for free school meals, we have arranged to provide you with a provisions box which will contain a 5 day supply of items to enable you to make a daily packed lunch.

The provisions box will contain items such as bread, cheese portions, fruit, snack biscuit, yoghurt and spread. If your child has any special dietary requirements could you please let us know so we can make alternative arrangements.

The provisions box can be collected from the school reception between 12.30 and 1.30pm.

If you are unable to collect this box because you have been required to self-isolate with symptoms of the Coronavirus (COVID-19) or because of serious health issues please contact the school and we will arrange delivery.

We will update you if there are any changes as soon as we are notified through our electronic communication.

Thank you for your continued support
