Topic - Europe

Our topic this term is to study the countries of Europe. We will consider the human features of different countries by researching key facts about each country such as famous landmarks, flags, capitals, major cities and airports.

We will also look at physical features of Europe such as the Aurora Borealis and Fjords of Norway.

We will immerse ourselves in the cultures of each different country by looking at music, food, art and language. Children will also have the opportunity to compare and contrast these to the United Kingdom.
