

KS1 Newsletter Monday 1st April 2019

This is the last week of the Spring term- where has the time gone? Overstone is having a music week and we will be basing our learning around this curriculum area.

This week we will be:

- Learning about the composer Tchaikovsky and writing a fact file about him
- Generating different adjectives and similes in response to some of his music
- Reading and acting out some the stories from the ballets
- Recording and interpreting some of our favourite music into graphs
- Playing a range of instruments and trying to create our own original piece of music
- Investigating plants in Science
- Playing a range of games in PE
- Following and creating sequences in Dance

Homework

There will be no set homework this week. Spellings and Maths will still be available on 'spellingshed' and 'mathletics'. Also, please continue to go over number bonds to 10, time tables and high-frequency spellings with your child, until they are confident and fluent.
