I will enter school directly into my classroom and use the outside door when leaving all my rooms.

I will walk to my lessons around the outside of the school building. Everyone will follow the paths anticlockwise around the school.

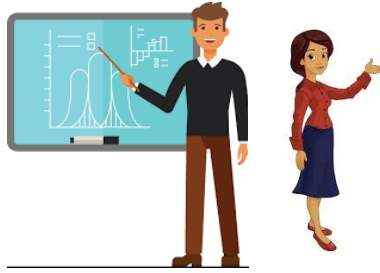

If I have lessons in the Barnes Building (rooms 19, 20, 21, 22, 23) I will go in the front entrance and exit at the back – this offers a one way system to classrooms.

I will be able to go to my locker before morning registration and then at the end of the day.

I will need to keep my bag, water bottle and lunch with me all day.

I will **only** enter the main part of the school building to use the toilet.

I will follow the one way system and keep to the 2 meter distance spacing when I move around the school.

I will wear school uniform.

On the days that I have PE or Games I will come to school wearing my PE kit, the changing rooms will not be open. I will bring my school clothes in my bag in case I get wet.

Following the recent Government guidance, it is advised that secondary age children (11+) wear face masks when social distancing is not possible. We are encouraging all students to wear masks when inside and in classroom lessons.

Other Useful Information
