

# Science Programme of Study

## Year 5

Reversible Changes

Forces

Dissolving & Separating Materials

The Earth in Space

Life Cycles & Classification

Properties of Materials

## Year 6

Electricity

Keeping Healthy

Non-reversible Changes

Light

Evolution & Adaptation

Ecology

## Year 7

Acids & Alkalis

Particle Theory & Solutions

Cells, Diet & Digestion

Electricity & Magnetism

Reproduction & Inheritance

Forces

## Year 8

Light

Metals & Acids

Respiration

Space

Sound

Metals & Reactivity

Photosynthesis

Ideas & Evidence
