The Department for Education (DfE) have granted Local Authorities funding to provide Holiday Activities with Food (HAF) to cover the Easter, Summer and Christmas Holiday Periods for 2021. The aim is to support children and young people who are eligible for Free School Meals to access high quality activities and food free of charge over each of these holiday periods.

Please use the **unique booking links** below to access the booking pages for the venues and weeks you require. These courses will not be visible to the public on the family portal. We will cross reference all our registers with local schools to ensure all bookings are eligible. Spaces are limited so please book quick to avoid disappointment!
