Minutes

1) Suggestion Boxes

KS 2

a) Request for personal trays to be under tables in classroom. From first-hand experience when visiting another school, KS2 members felt that this would not be practical and also would be difficult for taller children to sit as the trays would bump their knees.

b) Could pizza and pasty be eaten with hands at lunchtime? Unanimous vote in favour amongst the council. Mrs. Nicholls to consult Mrs. Elvy.

KS1

No suggestions in box. How can this be addressed? Louie, along with a KS2 member will read the minutes of the meeting and remind everyone what the suggestion box is for.

2) Leavers Books

Rhys & Evie have discussed this with Mrs. Hooper who has agreed that this could be realistic. They will continue to discuss exactly what will be in the book and will report back at a later date.

3) Shared Learning.

The Big Write and Cornish week have given opportunities for shared learning which has been both successful and enjoyable. All members agree that they would like this to continue with activities being organised once every half term if possible.

4) Show & Tell

Abigail & Samuel have yet to follow this up with Mrs. Elvy and Mr. Steward.

5) New Playtime games.

Mrs. Elvy has stated that once we have the new containers returned by John & Lester, the new games will go out at playtime.

6) Red Nose Day.

Letter written by Furlanesend School was discussed and agreed by all but one of the members. We are a small, rural school near the coast, and we see only too well the impact of plastic waste. We do not want to add to the problem and so school will not be ordering/ buying plastic red noses. Instead we will be wearing red and red noses will be painted. Imogen & Jazmin to organise face paints for the day.

7) THINK BIG.

All members enthusiastic about extending our lovely new library outdoors. Lots of exciting ideas and so all school council members will produce a poster for the competition. The deadline will be Tuesday 26th Feb as the posters have to arrive by Friday 1st March.

Any other business

- 1) Abigail brought up the suggestion of a school council jumper or polo shirt. Whilst this would easily identify members, it would add an extra cost to school uniform for parents.
- 2) KS 2 enjoyed cooking and would like to explore the possibility of regular sessions each term

Date of Next Meeting: Monday 25th February
