

# Spalding St Paul's Primary

## Spalding St Paul's Primary

The pupils and staff at Spalding St Paul's began a new phase of development this summer. New Headteacher, Selina Ratchford has worked closely with the community to reignite the school which is part of the Community Inclusive Trust.

The staff and pupils worked hard on developing the school's vision and values which drives everything they do and provides an environment that will prepare the children as confident, happy citizens!

The school's vision: 'Growing together to be proud of everything we do', is underpinned by the values of being P.R.O.U.D - Personal excellence, Respect, Opportunities, Uniqueness, Discovery.

The children were keen to change the class names. Following voting, each class is now named after a British tree, linking to the local street names in the area. From Little Acorns to Oaks, Little Saplings to Willows and Chestnuts, everyone is growing to be proud of their achievements.

The lovely open-plan classrooms provide an engaging learning environment which, coupled with exciting outside spaces to include a forest trail, pond area, play equipment, and outside classroom mean the children have a school of which they can be proud.
