Friday 12th February 2021

Dear Parents/Carers,

New Headteacher Appointment

We delighted to announce that Mrs Selina Ratchford has been appointed as the new Headteacher of Spalding St Paul's Primary and Nursery school from Friday 16th April 2021. She will be joining us from Linchfield Primary School in Deeping, where she has been leading the school as Interim Headteacher.

The recruitment process has been both rigorous, demanding and fair. The aim was always to recruit the most capable and suitable leader to support and inspire your children, whilst managing our hardworking and talented teachers and staff. We feel that the right person to meet your expectations has been selected and has demonstrated all the necessary qualities to continue our journey forwards at St Paul's.

I will continue to act in the role of Interim Head until the Easter.

I am sure you will join the staff, Governors and C.I.T in congratulating Mrs Ratchford in being successful in her new position and provide her with all the goodwill and support necessary to lead the school.

Yours sincerely,

Miss James

Interim Headteacher
