

Volunteering at Stedham

We welcome volunteers at Stedham Primary School, and we aim to match the needs of the school with the skills and interests of the volunteer.

To support this we welcome and encourage members of the school community such as parents, carers and local residents to volunteer and spend time in our school.

Whilst welcoming support, our focus has to be for the safety and wellbeing of the children in our care, therefore we follow strict safeguarding procedures. The school has a clear policy for adult volunteers, which ensures that whilst children benefit from additional help and support, their safety is our number one priority.

There are lots of ways that volunteers can help and be involved in the life of the school including:

- **Supporting individual pupils with tasks and activities;**
- **Hearing pupils read;**
- **Helping with classroom organisation and preparation;**
- **Helping with the supervision of children on school trips;**
- **Helping with group work;**
- **Helping with art or subjects involving other practical activities.**

If you think you can spare us even just an hour a week and wish to volunteer, please email the school office for more information at:
