

## Preventing and Managing Sickness including outbreaks

### Risk Procedures and Risk Assessment

#### Update January 2021

Progression of restrictions / Staged Response At Oak Lodge School we have 4 stages for when dealing with medical incidents / outbreaks. Depending on the nature of the situation action can commence from any point

Ref No:	Risk Assessment Title	Assessor name	Assessment date	Review date
	Preventing and Managing Sickness including outbreaks Covid – 19 - Risk Assessment – Version 4 January 2021	Caroline Rowlandson	January 03: 2021	Monthly
How communicated to staff	Emailed / Website / Staff briefing		Date communicated	4 <sup>th</sup> December 2021

Risk assessment is about identifying reasonably practicable measures to control the risks in a workplace or when undertaking an activity. The process evaluates the threats and risks of a specified issue/situation and enables the likelihood that somebody could be harmed, together with an indication of how serious the harm could be, to be considered.

**Likelihood** - For each issue/situation, determine the likelihood it will occur.

**Severity (outcome)** - determine the potential injury/health.

Likelihood	Severity
4 = Certain = common or frequent occurrence	4 = Major risk - death, loss of limbs, etc
3 = Probable = likely to occur sometime	3 = High risk - broken bones, burns, etc
2 = Possible = may occur sometime	2 = Moderate risk - cuts, bruises, sickness, etc.
1 = Improbable = unlikely to occur	1 = Minimal risk - strain, shaken, no injury, etc

RISK LEVEL MATRIX					
PROBABILITY (LIKELIHOOD)	4	Low	High	Very High	Very High
	3	Low	Med	High	Very High
	2	Low	Low	Med	High
	1	Low	Low	Low	Low
		1	2	3	4
SEVERITY (OUTCOME)					

Response Stage	Trigger	Key Actions	Who	Likelihood	Risk Severity	Final Risk Rating
STAGE 1 – General (everyday hygiene and procedures)	None	General reminders for hygiene - Effective handwashing facilities and soap available See enhanced cleaning measures below - Follow usual absence periods for sickness	All	2	1	3
STAGE 2 – Prevention	Where an increased risk is present -Increased absence rates of pupils or staff -Local increases in sickness e.g. flu, gastric, coronavirus -Public health alerts -Suspected cases of specific illness in school or within the community (eg. <b>coronavirus / gastric</b> )	<b>Increase hygiene procedure</b> - Communication with key people including key information (staff, pupils and families, users of the site) - Specific hygiene lessons in class - Increased enforced use of handwashing before eating of food & hand sanitiser - Enforce 48hr (7 / 14 days) after symptoms have stopped for all fever, sickness, diarrhoea etc. - Consider the types of trips and events and make changes as necessary (e.g. those where lots of close contact / touch points) - Review Core Control Measures and make changes as necessary - Daily review of the situation	SLT Admin Staff	2	2	4
STAGE 3 – Mitigate/ Delay	<b>Where a significant risk is present</b> - direct case or increased likelihood of cases - Public health advice for restrictions	Consider reducing contact situations: - Assemblies – these will be via zoom - School events – will be cancelled until future date - Trips Consider – all cancelled in Tier 4 : - Any screening measures e.g. use of a thermometer in school daily. - Increase time of exclusion from school for those with symptoms (beyond 48hrs – following HNS guidance for Covid cases) – 10 days / 14 days - Sending home any children with any symptoms with tests kits as per guidance - Additional Cleaning daily including deeper cleans half termly	SLT Admin Staff	3	1	3

STAGE 4 – Containment	<b>Where specific and/or significant changes or restrictions need to be in place.</b> - High levels of sickness - High rates of absence - Significance of danger of disease or illness	Part / full closures of site / classes - Deep cleans - Closure of lettings and building use - Reduction or exclusion of visitors	HT / Chair of Governors	<b>3</b>	<b>2</b>	<b>5</b>
<b>Coronavirus Key Actions January 2021 (as situation escalates) Opening January 2021 during Covid-19 Pandemic</b>						
Specific Issue	Key Actions including messages		Who	Notes		
Personal health/hygiene measures	<p>Clear communication of all necessary measures – may include emails, notices/posters, verbal briefings – visual posters for younger pupils years years</p> <p>Staff, pupils and visitors to wash hands and have temperature taken upon entering school grounds &amp; use hand sanitiser on entry.</p> <p>To upload track and trace app / QR code.</p> <p>Visitors on site to complete questionnaire available at reception.</p> <p>Regular hand washing to be imposed and staff to monitor and enforce pupil regular hand washing</p> <p>School to ensure good supply of hand soap and roller / paper towels at all times</p> <p>Hand sanitiser to be made available at entry points and all classrooms, students to advised to use.</p> <p>Schools to promote the ‘catch it, bin it, kill it’ approach with staff and pupils and follow guidance on respiratory hygiene. Parents to provide personal tissue boxes.</p> <p>Use <a href="#">e-Bug</a> and <a href="#">PHE schools resources</a> to teach pupils and support parents about Covid-19(Covid-19:guidance for education settings) all resources to be supported through BSL resources.</p> <p>Cleaning materials and protective equipment (sanitise spray, cloths, gloves) to be made available for all rooms in use</p>		Staff Pupils Contractors Visitors	<p>Poor hygiene</p> <p>Increased risk of Covid-19 spread</p> <p>Direct transmission</p> <p>Indirect transmission</p> <p style="text-align: center;"><b>3</b></p>	<b>1</b>	<b>3</b>

	<p>Surfaces that children and young people are touching, such as books, desks, chairs, doors, sinks, toilets, light switches, bannisters, to be cleaned more regularly than normal (2 times per day – cleaning team &amp; site staff)</p> <p>Limit the amount of shared resources (e.g. stationary) and equipment taken home</p> <p>Pupils to provide own equipment in plastic / wipe able cases. To have own water bottle (named) staff to ensure that all used utensils / mugs are washed in the dishwasher.</p>				
<p>Contact with someone suffering from coronavirus</p>	<p>Everyone will be asked not to come into school if they need to self-isolate under <a href="#">current guidance</a>. Regular reminders will be given about this.</p> <p>Anyone self-isolating with symptoms will be advised to do so for at least 10 days from the onset of symptoms, and to access <a href="#">testing</a> and engage with the NHS Test and Trace process.</p> <p>If a symptomatic person comes into school, they will be sent home immediately or isolated until they can be picked up. <b>Decide and add a suitable place to isolate people in this case here – see <a href="#">this guidance</a> for help with this.</b></p> <p>999 will be called if they are seriously ill or injured or their life is at risk.</p> <p>In the case of a symptomatic pupil who needs to be supervised before being picked up:</p> <ul style="list-style-type: none"> <li>• If a distance of 2 metres can't be maintained, supervising staff will wear a fluid-resistant surgical mask</li> <li>• If contact is necessary, supervising staff will also wear disposable gloves and a disposable apron</li> <li>• If there's a risk of splashing to the eyes, such as from coughing, spitting or vomiting, supervising staff will also wear eye protection</li> </ul> <p>Supervising staff will wash their hands thoroughly for 20 seconds after the pupil has been picked up.</p> <p><b>Boarding schools: if a child shows symptoms at school, you should seek parents'/carers' views on whether the child should self-isolate in their residential setting or return home. For more information, read the <a href="#">guidance on isolation for residential educational settings</a>.</b></p> <p>We will provide home testing kits to parents/carers collecting symptomatic children, and to staff who've developed symptoms at school, if they are unable to get a test elsewhere.</p> <p>Only in exceptional circumstances will staff take symptomatic children home themselves, and in this case one of the following steps will be taken:</p>				

- Use of a vehicle with a bulkhead (i.e. the driver is in a separate compartment to any passengers); or
- The driver and passenger will maintain a distance of 2 metres from each other; or
- The driver will use PPE (the same PPE as when supervising a symptomatic pupil, as explained above) and the passenger will wear a face mask if they are old enough and able to do so

A deep clean will take place in the areas that the symptomatic person has been, and PPE will be disposed of properly, following [decontamination guidance](#).

If the school becomes aware that a pupil or a staff member has tested positive for coronavirus, and needs advice on next steps, the school will contact the DfE helpline on **0800 046 8687** and select option 1. (If no advice is required, the school will report the case using the DfE's '[online attendance form daily return](#)'). The advice service (or [local health protection team](#), if the call is escalated to them), will carry out a rapid risk assessment to confirm who's been in close contact with the person when infectious.

The school will ask (using a template letter from the local health protection team) all close contacts to self-isolate for **10 days** from the day they were last in close contact – if you're a secondary school (including special school or alternative provider) taking part in the government's rapid testing programme from January 2021, add: or to take a daily lateral flow coronavirus test each morning for 7 school days, if consent is provided. If consent is not given, the pupil will need to self-isolate. If the test is **positive**, we will follow the same steps (laid out above) as if that pupil/staff member were displaying symptoms, including asking them to take a standard coronavirus test at home. If the test is **negative**, we will ask them to continue taking daily lateral flow tests for the remainder of the 7 days. They can attend school as long as they continue to test negative.

If you're a secondary school (including special school or alternative provider) taking part in the government's rapid testing programme from January 2021, add also:

**At the start of spring term 2021:**

We will ask **all staff and pupils** to take a lateral flow test. Staff will be tested once a week on an ongoing basis.

**In-school testing:** if consent is not given for a secondary-age pupil to participate in asymptomatic testing and the pupil is considered a 'close-contact' of a positive case, the pupil will need to self-isolate

	<p>If the test is <b>positive</b>, we will follow the same steps (laid out above) as if that pupil/staff member were displaying symptoms, including asking them to take a standard coronavirus test at home.</p> <p>If the test is <b>negative</b>, we will ask them to take another lateral flow test between 3 and 5 days later. If this second test is positive, we will ask them to do as above.</p> <p><b>All schools continue with:</b></p> <p>To help with identifying staff's and pupils' close contacts, records will be kept of:</p> <ul style="list-style-type: none"> <li>• The pupils and staff in each group</li> <li>• Any close contact that takes place between children and staff in different groups</li> </ul> <p>Close contact means:</p> <ul style="list-style-type: none"> <li>• Direct close contact – face-to-face contact with an infected person for any length of time, within 1 metre, including: <ul style="list-style-type: none"> <li>○ Being coughed on</li> <li>○ A face-to-face conversation, or</li> <li>○ Unprotected physical contact (skin-to-skin)</li> </ul> </li> <li>• Proximity contacts – extended close contact (within 1 to 2 metres for more than 15 minutes) with an infected person</li> <li>• Travelling in a small car with an infected person</li> </ul>				
<p>Test, Track &amp; Trace</p>	<p>We have clear procedures for reporting symptoms and positive tests and a clear plan for the action we will take in such circumstances. These are published on our web-site. The school created a letter to accompany pupils sent home with COVID-19 symptoms with a clear statement for further actions required regarding a positive test result. Our nearest test sites are Wandsworth Town Hall. Tests should be booked on line via the NHS.</p> <p><a href="https://www.gov.uk/get-coronavirus-test">https://www.gov.uk/get-coronavirus-test</a></p> <p>Home tests can only be used until Day 8 of the symptoms. In the event of a positive test we have taken advice from PHE with reference to the 'COVID-19 Resource Pack for Educational Settings' – September 2020 and understand the current expectations regarding self-isolation</p>	<p><b>All Staff</b></p>	<p><b>3</b></p>	<p><b>1</b></p>	<p><b>3</b></p>
<p>Suspected case in school (staff or pupil)</p>	<p>Isolate individual and send home with self-test kit for parents to administer.  Deep clean core areas Inform staff  Core reminders of hygiene Contact parents  – general information about sickness etc.</p>	<p><b>SLT</b></p>	<p><b>3</b></p>	<p><b>2</b></p>	<p><b>5</b></p>

Confirmed case in school	Contact relevant agencies e.g. LA / Public Health England Inform parents and staff and “bubble” to be isolated in school whilst waiting for parents to collect. Deep clean core areas inform staff Core reminders of hygiene Contact parents vis letter and reminders of isolation periods. – general information about sickness etc. and the key next steps e.g. closure of a class / school/ or carry on etc.	SLT; Site , Cleaning team	<b>3</b>	<b>2</b>	<b>5</b>
Suspected case in a family	Child to remain at home for isolation period / test result arrives. Parent to contact 111 and follow guidance Parent to inform school.	Families; Staff; Admin	<b>2</b>	<b>1</b>	<b>3</b>
Confirmed case in a family	Children in the family to remain at home for a fixed period of time Deep clean of the classroom and school. Follow guidance provided	SLT Site /Cleaning	<b>3</b>	<b>1</b>	<b>3</b>
Teacher shortage	- Supply / Splitting classes / SLT Cover Where too many – partial closure for certain classes or part time / AM / PM classes Ensure minimum staff to pupil ratio is maintained Settings should prioritise groups of children as per available guidance <a href="#">supporting guidance on protective measures which should be implemented in education settings</a> Teaching assistants to provide temporary cover for admin staff shortages under teacher supervision Parents to be notified of any exceptional closures due to insufficient staff cover Partial closure for certain classes or part time classes	SLT	<b>3</b>	<b>2</b>	<b>5</b>
Support staff shortage Admin staff and cleaning staff sickness and shortages	Supply / Prioritise most needy children / classes with remaining staff As Above Teaching assistants to provide temporary cover for admin staff shortages Encourage parents to only contact school in the event of an emergency SMT to assume health and safety core function	SLT	<b>2</b>	<b>2</b>	<b>4</b>
Protection for most vulnerable children Managing the	Identify who these children are vulnerable e.g. underlying health conditions that may be affected by the current threat Discuss with parents the initial steps and agree key actions re. isolation/seclusion Staff and pupil parents/carers to follow medical advice	Wellbeing Team DSL Staff Pupils	<b>3</b>	<b>1</b>	<b>3</b>

needs of pupils with EHCP Complex needs Disabilities Vulnerable	Constant health monitoring and support on hygiene measures Individual care plans and 1:2:1 TA care in place where necessary Schools to follow <a href="#">guidance for special schools, specialist colleges, local authorities and any other settings</a>				
Staff with health issues (e.g. Heart)	- Ask them to contact their consultants to seek advice on their condition Consider working from home	SLT & HR Staff	<b>2</b>	<b>1</b>	<b>3</b>
Staff with symptoms	Publish symptoms to staff <b>All staff to take responsibility</b> to manage symptoms & seek advice Stay at home; follow NHS 111 advice; discuss with HT	HT & SLT	<b>3</b>	<b>2</b>	<b>5</b>
Pregnant staff	School to carry out LA risk assessment for pregnant staff. Ask them to contact their midwife to seek advice; Consider working from home following discussions with Head Teacher	SLT	<b>3</b>	<b>1</b>	<b>3</b>
Stress and anxiety Mental health deterioration	Monitor signs of stress and anxiety for both staff and pupils Wellbeing Team & line managers Consider pupils and staff mental health and wellbeing and identify additional need for support Regular contact and support by line manager for staff Use of LA support (Employee Assistance Programme) and outside agencies Obtain support for children with NHS mental health hub/ The Mix and ChildLine Regular contact of staff at home/under quarantine	Staff Pupils	<b>3</b>	<b>1</b>	<b>3</b>
Kitchen shut down	Parents to provide packed lunches Agency staff recruited as soon as possible.	SLT & Families	<b>2</b>	<b>1</b>	<b>3</b>
Site/cleaning team shortage	Discuss with cleaning contractor/CFLP team cover arrangements in good time	Site & SBM	<b>2</b>	<b>1</b>	<b>3</b>
Leadership shortage	Access via phone /skype/ Zoom/ WhatsApp Ensure DSL cover at all times.	SLT	<b>2</b>	<b>1</b>	<b>3</b>
Continued period shut down	Continue online learning activities – Staff follow CFLP School Closure Guidance• Preparation for learning continuity in the event of local or bubble lockdown (added in v4) Blended learning offer to support continued delivery including support for pupils isolating or required to remain at home due to being diagnosed clinically extremely vulnerable.	SLT & Staff	<b>3</b>	<b>1</b>	<b>3</b>

	<p>Remote learning packages ready to offer where there is an outbreak within a bubble or wider as part of business continuity. Consideration of remote learning for young pupils or those with SEND.</p> <p><a href="https://www.gov.uk/guidance/remote-education-practice-for-schools-during-coronavirus-covid-19">https://www.gov.uk/guidance/remote-education-practice-for-schools-during-coronavirus-covid-19</a></p> <p>Resources have been prepared that take account of online education resources for home learning (published by DfE 24 June 2020)</p> <p><a href="https://www.gov.uk/guidance/remote-education-during-coronavirus-covid-19">https://www.gov.uk/guidance/remote-education-during-coronavirus-covid-19</a></p> <p>Information and guidance have been shared to support parents and carers of children who are learning at home</p> <p><a href="https://www.gov.uk/guidance/supporting-your-childrens-education-during-coronavirus-covid-19">https://www.gov.uk/guidance/supporting-your-childrens-education-during-coronavirus-covid-19</a></p> <p>Resumption of original Risk Assessment to consider phased opening as appropriate Parents have been informed of the school's procedures for local/bubble lockdown. Response has taken account of the information, guidance and support for teachers and leaders on educating children during the coronavirus outbreak 2020 In local lockdown/ Tier 4 areas children in Y7 and above should wear face coverings when moving around communal areas where social distancing is difficult to maintain, such as corridors. Consider use of face coverings for pupils outside of local lockdown areas if appropriate. Consider impact of isolation for vulnerable children and ensure that key workers are notified of isolation and expected date of return and whether an individual risk assessment would be beneficial. Well being team to make regular contact as per Safeguarding RA</p>				
Remote Working and Use of Technology	<p><b>Please see additional online safeguarding policy on Website</b></p> <p><b>IMPORTANT NOTE:</b> Whilst many staff will be working remotely during the coronavirus outbreak, it is important to note that personal data must at all times continue to be processed and stored in accordance with Data Protection principles. You should not use personal devices to communicate with service-users, store personal data on personal devices or download and use apps onto work or personal devices (phones/laptops/tablet computers) without express authorisation from your manager. For more information, refer to acceptable use and code of conduct policy and Safeguarding Staff and Storage of Data on Mobile Devices.</p>	All	<b>3</b>	<b>1</b>	<b>3</b>

<p>Transport arrangements Pupils &amp; Staff</p>	<p>Staff/ Parents and pupils to be encouraged to walk or cycle to school where possible Schools, and staff to follow the <a href="#">Coronavirus (COVID-19): safer travel guidance for passengers</a> when planning travel to and from school Where the setting and specific transport arrangements ensure these cater for any changes to start and finish times Transport vehicles must be cleaned adequately after each use Making sure drivers do not work if they or a member of their household are displaying any symptoms of coronavirus Making sure drivers, as far as possible, follow hygiene rules and try to keep distance from their passengers Substitute smaller vehicles with larger ones, or running 2 vehicles rather than one, where possible, to reduce the number of passengers per vehicle and increase the amount of space between passengers Cordoning off seats and eliminating face-to-face seating, where vehicle capacity allows, to help passengers spread out</p> <p>Staff to follow TFL guidance <a href="https://tfl.gov.uk/campaign/safer-travel-guidance?intcmp=63123">https://tfl.gov.uk/campaign/safer-travel-guidance?intcmp=63123</a> <b>By arrangement with the HT – staff can discuss travel times to avoid peak travel.</b></p>	<p>Staff Pupils Transport PT department Escorts</p>	<p><b>3</b></p>	<p><b>1</b></p>	<p><b>3</b></p>
<p>Individuals vulnerable to serious infection coming into school</p>	<p>Clinically extremely vulnerable staff – staff who have received a shielding letter or been advised to stay at home by their GP/clinician will not come into school, and instead will work from home if they can (same as previous tier 4 guidance) Clinically vulnerable staff – can come into school, if they can't work from home. If in school, they should: Where possible, maintain 2-metre distance from others Avoid close face-to-face contact and minimise time spent within 1 metre of others Staff that live with someone that's clinically extremely vulnerable or clinically vulnerable – can come into school if they can't work from home, but should ensure they maintain good prevention (e.g. hygiene) practice Pregnant staff – should work from home where possible. If home working is not possible, follow the guidance for pregnant staff that applies to all tiers Staff who may be otherwise at increased risk of coronavirus - can come into school, if they can't work from home. Consider putting specific protective measures in place. Staff that live with those at increased risk can also come into school if they can't work from home</p>				

	<p>Staff will be requested to complete <a href="#">individual risk assessments</a> to help with this.</p> <p><b>In tier 4 or during national lockdown:</b> Staff who have received a shielding letter or been advised to stay at home by their GP/clinician will not come into school, and instead will work from home if they can.</p> <p>Clinically vulnerable staff will come into school if they can't work from home. If in school, they will:</p> <ul style="list-style-type: none"> <li>○ Where possible, maintain 2-metre distance from others</li> <li>○ Avoid close face-to-face contact and minimise time spent within 1 metre of others</li> </ul> <p>Staff that live with someone who's extremely clinically vulnerable or clinically vulnerable will come into school if they can't work from home and will follow good prevention practices.</p> <p>Staff who are pregnant will work from home where possible. If home working isn't possible, we will follow the guidance for pregnant staff in all tiers (below).</p> <p>We will carry out risk assessments for staff who are pregnant, and remove or manage identified risks where possible. Pregnant staff will not be required to continue working if this is not supported by the risk assessment, and will be offered alternative arrangements (which may include working from home or suspension on normal pay). Staff who are 28 weeks pregnant or beyond, or staff who are pregnant with underlying health conditions, will be considered clinically extremely vulnerable and offered further flexibility to work from home in a different capacity.</p>				
Education of Looked After Children ‘	<p>‘Vulnerable’ children remain eligible to attend educational establishments.</p> <p>‘Vulnerable’ children include:</p> <ul style="list-style-type: none"> <li>• those who have a social worker (including children who have a child protection plan and those who are looked after by the local authority)</li> <li>• those children and young people up to the age of 25 with education, health and care (EHC) plans</li> <li>• those who have been assessed as being in need or otherwise meet the definition in section 17 of the Children Act 1989 Eligibility for free school meals in and of itself should not be the determining factor in assessing vulnerability, although schools and other education providers may also want to support other children who are vulnerable where they are able to do so.</li> </ul>	SLT / HT DSL	<b>2</b>	<b>1</b>	<b>3</b>

**Do all children and young people with an EHC plan need to continue at school?**

Those with an EHC plan should be risk-assessed in consultation with the local authority, to decide whether they need to continue to be offered a school place in order to meet their needs, or whether they can safely have their needs met at the home. Many children and young people with EHC plans can safely remain at home.

The assessment will need to consider a number of different risks to each child or young person, including:

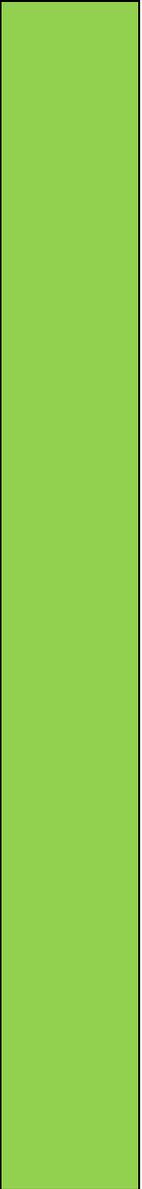

- the potential health risks to the child or young person from COVID-19, bearing in mind any underlying health conditions. This must be on an individual basis with advice from an appropriate health professional where required
- the risk to the child or young person if some or all elements of their EHC plan cannot be delivered at all, and the risk if they cannot be delivered in the normal manner or in the usual setting
- the ability of the child or young person’s carers/home to ensure their health and care needs can be met safely
- the potential impact on the child or young person’s wellbeing of changes to routine or the way in which provision is delivered

The Government expect most children will fall into the following categories:

- children and young people who would be at significant risk if their education, health and care provision and placement did not continue, namely those who could not safely be supported at home. This may include those with profound and multiple learning difficulties, and those receiving significant levels of personal care support.

Local authorities will work with the child or young person’s educational setting – especially residential special schools and colleges – as well as local health partners, to ensure they are able to remain open wherever possible.

As part of the government’s emergency powers under the Coronavirus Act 2020, the statutory duties on local authorities to maintain the precise provision in EHC plans have been modified, and the Government expects educational settings and local authorities to use their reasonable endeavours to support these children and their families.

	<p>Where a local authority is unable to put in place stated provision, they will need to use their reasonable endeavors to do this, but won't be penalised for failing to meet the existing duty in the Care Act 2014. <b>Coronavirus (COVID-19): Guidance on Vulnerable Children and Young People</b> <a href="https://www.gov.uk/government/publications/coronavirus-covid-19-guidance-on-vulnerable-childrenand-young-people">https://www.gov.uk/government/publications/coronavirus-covid-19-guidance-on-vulnerable-childrenand-young-people</a></p> <p><b>Closure of Educational Settings: Information for Parents and Carers</b> <a href="https://www.gov.uk/government/publications/closure-of-educational-settings-information-forparents-and-carers">https://www.gov.uk/government/publications/closure-of-educational-settings-information-forparents-and-carers</a></p> <p><b>Coronavirus (COVID-19): Guidance for Schools and Other Educational Settings</b> <a href="https://www.gov.uk/government/collections/coronavirus-covid-19-guidance-for-schools-and-othereducational-settings">https://www.gov.uk/government/collections/coronavirus-covid-19-guidance-for-schools-and-othereducational-settings</a></p> <p><b>Coronavirus (COVID-19): Guidance on Isolation for Residential Educational Settings</b> <a href="https://www.gov.uk/government/publications/coronavirus-covid-19-guidance-on-isolation-for-residential-educational-settings/coronavirus-covid-19-guidance-on-isolation-for-residentialeducational-settings">https://www.gov.uk/government/publications/coronavirus-covid-19-guidance-on-isolation-for-residential-educational-settings/coronavirus-covid-19-guidance-on-isolation-for-residentialeducational-settings</a> applies to: • children's homes</p> <ul style="list-style-type: none"> <li>• residential special schools and colleges</li> <li>• other further education (FE) providers with residential accommodation</li> <li>• Main stream boarding schools.</li> </ul> <p>The guidance provides advice on managing isolation for individuals or groups, in the event that a child, young person or staff member either shows symptoms of coronavirus (COVID-19), or is confirmed as having the disease.</p> <p>Residential, special schools are usually considered households for the purposes of the household self-isolation policy. Meaning, the setting should self-isolate if a resident shows symptoms.</p>				
<b>Core Control Measures</b>					
<b>Control Measure</b>	<b>Notes / Action</b>	<b>Who</b>	<b>Control Stage</b>		
Spreading infection due to excessive contact and	<p>We have decided to keep groups separate in 'bubbles' and maintaining distance between individuals. Consider:</p> <p><b>If you're a secondary school:</b> Pupils in Key Stage 3 and 4 will be kept to their class groups. Pupils in Key Stage 5 will be kept to their year / pathway groups.</p>	All	3	1	3

<p>mixing between pupils and staff in lessons</p> <p>Management of social distancing</p> <p>Contact with persons infected with Covid-19 (symptomatic or asymptomatic)</p>	<p>Encourage at all time for pupil to remain at 2 meters as far as possible 1 meter as a minimum – we are a special school – so this needs to be reasonable and proportionate.</p> <p><b>Teaching staff</b> who are moving from room to room – to remain at 2 meter distance form pupils.</p> <p><b>TA's who are remaining within the class “bubble”</b> can be 1m from pupils – with mask and/ or visor following advice below.</p> <p>Staff can work across different groups to deliver the school timetable, but they will keep their distance from pupils and other staff as much as they can (ideally 2 metres apart). This won't always be possible, particularly when working with younger children, but close face-to-face contact will be avoided, and time spent within 1 metre will be minimised.</p> <p>Any pupils with complex needs or who <b>need close contact</b> support will have the same support as normal as distancing isn't possible here. Staff will be rigorous about hand washing and respiratory hygiene. Please ensure that staff working with these pupils read the individual pupil risk assessment and complete an employee one should they wish to.</p> <ul style="list-style-type: none"> <li>All classes to straight to pastoral room for registration followed by pastoral time, then lessons will be in pastoral class bases as per normal timetable.</li> </ul> <p>Class G to move to ICT room as class base class 9D to move to room 13 as class base.</p> <ul style="list-style-type: none"> <li>There will be no breakfast provided by the wellbeing team. Parents please provide a cereal bar or additional snack for your child.</li> <li>Teachers will move to each teaching base.</li> <li>Break time will be extended by 10 minutes to allow for “snack time” and outside time from 10.00 for 25 minutes.</li> <li>Lunchtime – Packed lunches will be served in class bases – a rota and designated outside / inside play times and spaces will be allocated to each group.</li> <li>Teaching &amp; class based staff for groups A – G will remain within the main school building. 6th form staff must remain in their designated teaching bubble areas. Admin staff must remain in located spaces. All staff must use staff facilities within their bubble area. 6th form teachers will share facilities with Deaf First staff. Kitchen and toilets.</li> </ul> <p>Clear communication of all necessary measures – zoom briefings, emails, notices/posters, verbal daily briefings – visual posters for younger pupils years</p> <p>Daily pre-openings check to verify all necessary controls are in place by site team &amp; SLT</p>

	<p>Pupils to be accompanied only by one parent or carer/ escort to the school gate at 8.40 &amp; 3.30</p> <p>Only one visitor /parent at anyone time in the school foyer – by arrangement only.</p> <p>Escorts reminded not to gather at entrance gates or doors, or enter the site and only attend at the appointed time</p> <p>Perspex screen for reception office</p> <p>No entrance into the main school office or reception for non-office staff</p> <p>Adhere to one-way system circulation through the school to keep groups apart as they move through where possible</p> <p>Minimise contact and mixing of different groups/classes of pupils (only mix in a small, consistent group (maximum of 15 pupils per class or room) and that different groups are not mixed</p> <p>Teachers and other staff that are assigned to each class/group, as far as possible, to stay the same during the day and on subsequent days</p> <p>Staggering breaks and lunchtimes times to ensure that corridors or circulation routes used have a limited number of users at the same time</p> <p>Number of pupils to use the toilet at one time to be limited</p> <p>All staff and SLT to monitor and manage social distancing as proportionate in a special school.</p> <p>Class surfaces to be wiped between different classes groups by staff using disinfectant, cloth &amp; gloves.</p> <p>Where possible, all spaces to be well ventilated using natural ventilation (opening windows) or ventilation units</p> <p>Rooms doors to be left open, where possible to limit use of door handles and aid ventilation</p> <p>Occupancy to be limited in staff offices and staff rooms</p> <p>Lunch breaks to be staggered, groups to be kept apart as much as possible and tables to be cleaned between each group.</p> <p>Manage staggered meal breaks for staff Pupils will be seated side-by-side and facing forwards, and unnecessary furniture will be moved out of classrooms to allow for this.</p>				
--	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--	--	--	--

	<p>We will follow the government's <a href="#">guidance</a> for lessons involving drama, singing, chanting, shouting or playing instruments (particularly wind or brass instruments). These will take place outside wherever possible. If taking place inside, larger, well-ventilated rooms will be used and the number of people will be limited to allow for social distancing.</p> <p>Any background or accompanying music will be kept to levels which don't require teachers or other performers to raise their voices if they don't have to. Microphones will be used to avoid the need for shouting or prolonged periods of loud speaking or singing. Where possible, microphones, instruments or other equipment won't be shared.</p> <p>During music lessons and performances, pupils will be positioned either back-to-back or side-to-side at an appropriate distance. Singing or instrument playing will <b>only</b> take place in assemblies if there's enough natural airflow and space to allow for strict social distancing between each person (at least 10l/s/person natural airflow for all present, including audiences).</p> <p><b>during national lockdown:</b> We will not host performances with an audience.</p> <p>For physical activity, we will follow the same guidance for cleaning equipment and grouping pupils as in all areas of the school. Outdoor sports will be prioritised where possible - where it is not, we'll use large indoor spaces with sufficient ventilation. Distance between pupils will be maximised as much as possible.</p> <p>For team sports, we will follow the <a href="#">return to recreational team sport framework</a>. For individual sports, we will follow the <a href="#">guidance</a> on the phased return of sport and recreation.</p> <p>Supply teachers, peripatetic teachers and other temporary staff will be told to minimise contact and maintain as much distance as possible from other staff. The number of temporary staff entering the school premises will be kept to a minimum. As we are a secondary school special school who is taking part in the government's rapid testing programme from January 2021, All our staff will participate in the rapid testing programme in school, as outlined for other staff/pupils above.</p> <p>Specialists, therapists, clinicians and other support staff for pupils with SEND should provide interventions as usual. These staff will be advised to be rigorous about hand washing and respiratory hygiene.</p> <p><b>During national lockdown:</b> If we don't have enough staff to implement the necessary protective measures around groups, we will speak to the local health protection team for advice. If we are told we need to temporarily stop on-site provision, we will inform our LA and discuss alternative arrangements for vulnerable children and children of critical workers.</p>				
--	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--	--	--	--

<p>Spreading infection due to excessive contact and mixing between pupils and staff around and outside of the school</p>	<p>Pupils will always be kept in the same groups each day, and be kept separate from other groups.</p> <p>Everyone will be encouraged to wear a face covering in indoor areas outside of classrooms, unless they're exempt from wearing one.</p> <p>Movement around the school site will be kept to a minimum to avoid creating busy corridors.</p> <p>Pupils will always be supervised to ensure mixing between groups doesn't occur, and they will be reminded about the rules throughout the day.</p> <p>All shared rooms, such as sport halls and dining areas, will be cleaned between each use.</p> <p>Toilet use will be managed to avoid crowding. Staff to minimise numbers of pupils leaving lessons for toilet breaks. Toilet breaks to be staggered during break / lunchtimes/ "bubble to have allocated times – when school has high pupil numbers"</p> <p>Staff use of staff rooms and offices will be staggered to limit occupancy.</p> <p><b>During national lockdown:</b> educational visits will not take place.</p>				
<p>Spreading infection due to excessive contact and mixing in meetings</p>	<p>Where possible, meetings will be conducted by telephone or using video conferencing. This includes meetings with staff, parents/carers, visitors and governors.</p> <p>Where this isn't possible, meetings will be conducted outside, outside of school hours, or in a room large enough to allow for social distancing.</p>				
<p>SCHOOL ORGANISATION</p>	<p>The pupils in school have been divided into class bubbles. From Monday 4th January, classes will be divided into (groups of 8 or less). Wherever possible, bubbles will remain isolated whilst INSIDE the classroom areas but will mix within a POD whilst in the outside zones.</p> <p>All staff keep daily seating plans and records of close contacts between pupils and staff outside the bubble e.g. intervention groups. Pupils will be encouraged to wear a mask from home or offered a disposable mask during these group sessions.</p> <p>Pupils will be discouraged from moving around the classroom.</p>	<p>All Staff</p>	<p><b>3</b></p>	<p><b>1</b></p>	<p><b>3</b></p>

	<p>Staff have been advised to maintain social distance from pupils wherever possible. There will be at least one session a week of group work for all pupils in order to support positive well-being and to encourage team work.</p> <p>Each activity will be risk assessed and general resources will be quarantined/sanitised between group sessions. This will be regularly reviewed and the number of activities may vary from class to class.</p> <p>If there is a positive case within a bubble, the whole class would already be advised to self-isolate.</p> <p>Most pupils will continue to bring in their own wipe clean pencil case containing essentials (individual resources will be provided by the school for pupils and those unable to provide their own)</p> <p>There is a one-way system in place to access the school playground entrance – 2 m social distancing markers are in place on the school grounds.</p> <p>Only one parent will be allowed to drop off or collect.</p> <p>Each pod will have an allocated zone and toilets and movement around the school is limited and will follow a one-way system (most bubbles will need to share toilet facilities) Each pod will have an allocated playground zone and will eat in the class rooms in Pods. Teachers to follow class rotas for use of toilets and pupils will be restricted to use specific toilets. Handwashing (other than after toilet use) will take place at regular intervals in the corridor sinks.</p> <p>Where safe and practical to do so, windows will remain open and doors can be propped open or ajar Staff understand the need for good ventilation and reduced door contact</p>				
<p>Spreading infection due to touch, sneezes and coughs Catch it, bin it,</p>	<p>Handwashing facilities will be provided.</p> <p>There are sinks nearby, hand sanitiser at entrances and exits to the school and in rooms you'll be using.</p> <p>Parents encouraged to provide individual packs for pupils.</p> <p>Ensure adequate stock levels of tissues for each class / office</p>	All	<b>2</b>	<b>1</b>	<b>2</b>

kill it- Tissues for Each Class	<p>Replenish as needed Staff to also self-replenish from stock <b>Everyone in school will:</b></p> <ul style="list-style-type: none"> <li>• Frequently wash their hands with soap and water for 20 seconds and dry thoroughly using <a href="#">NHS guidelines</a>, or use alcohol-based hand sanitiser to cover all parts of their hands</li> <li>• Clean their hands on arrival, after breaks, if they change rooms, before and after eating, and after sneezing or coughing</li> <li>• Be encouraged not to touch their mouth, eyes and nose</li> <li>• Use a tissue or elbow to cough or sneeze, and use bins for tissue waste</li> </ul> <p>Pupils will be encouraged to learn and practise these habits in lessons and by posters put up across the school.</p> <p>Help will be available for any pupils who have trouble cleaning their hands independently. Skin-friendly cleaning wipes can be used as an alternative. Young children will be supervised during hand washing.</p> <p>There are some pupils that won't be able to maintain good respiratory hygiene, such as pupils with complex needs who spit uncontrollably or use saliva as a sensory stimulant, and Individual Risk assessments and additional measures are in place for these children and the staff who work with them.</p> <p>Supplies for soap, hand sanitiser and disposable paper towels and tissues will be topped up regularly and monitored to make sure they're not close to running out.</p> <p>Lidded bins for tissues, preferably operated by a foot pedal, will be emptied throughout the day.</p>

Taking temperature of anyone in school who may begin to feel unwell	All personnel and pupils temperature to be taken daily via hand held non-contact thermometer.	SBM/SLT	3	1	3
PPE , Masks and visors	<p>All staff and pupils to be encouraged to wear visors / masks when in class rooms and visors and or masks in corridors and communal spaces / moving about the school. However; we will also follow government guidance on <b>Exemptions as many staff and pupils rely on lip reading and facial expression to communicate.</b></p> <div data-bbox="340 523 1756 849" style="border: 1px solid black; padding: 5px;"> <p>Some individuals are exempt from wearing <a href="#">face coverings</a>. This applies to those who:</p> <ul style="list-style-type: none"> <li>cannot put on, wear or remove a face covering because of a physical impairment or disability, illness or mental health difficulties</li> <li>speak to or provide assistance to someone who relies on lip reading, clear sound or facial expression to communicate</li> <li>The same exemptions will apply in education settings, and we would expect teachers and other staff to be sensitive to those needs, noting that some people are less able to wear face coverings and that the reasons for this may not be visible to others.</li> </ul> </div> <ul style="list-style-type: none"> <li>To ensure that there is adherence and observance to the school COVID risk assessment, one way system and government guidance. Encourage and challenge students and colleagues to follow school protocols.</li> </ul> <p>Staff to follow handwashing &amp; hand sanitiser as needed</p> <p>Staff to ensure social distancing as possible</p> <p>Aprons if staff wish to wear these please request form Head of Care – but generally staff need to observe sensible precautions of changing clothes and washing them on arrival home.</p> <p>Gloves – can be worn if desired – but handwashing and wiping surfaces are more effective in reducing transmission in a school setting.</p>	All Staff and pupils	3	1	3

	<p>Ensure sufficient supply of protective equipment for additional cleaning duties</p> <p>Ensure PPE is put on and worn correctly if required during intimate care and trips off site.</p> <p>Face coverings or face masks where instructed to be used for specific clinical reasons will not be worn by pupils</p>				
<b>Considerations for staff and pupils with protected characteristics including race and disability</b>					
	<p><b>Considerations</b></p> <ul style="list-style-type: none"> <li>Nationally the ONS analysis has identified an increased risk of death among some ethnic groups, although this increased risk reduces when age, gender and long term conditions like type 2 diabetes, high blood pressure and kidney disease, but doesn't disappear completely and further research is needed to explore this.</li> <li>There doesn't appear to be any difference between in ethnic groups in terms of infection rates, i.e. who catches it, the difference is in the proportion who die.</li> <li>In light of this it is important for risk assessments of individuals, staff and pupils, take this into account, the main risks are around health conditions such as diabetes, kidney disease and high blood pressure, especially if poorly controlled and also obesity has been identified as a significant risk factor. The risk of death is also higher in older people over 65yrs and men have a slightly higher rate than women. Those with respiratory conditions like asthma and chronic obstructive pulmonary disease also pose higher risks, along with auto-immune conditions. Smoking can also exacerbate the disease and lead to poorer outcomes</li> <li>The NHS risk assessment suggests BAME individuals have a higher risk at a younger age, so as a rough guide consider a BAME 55yr old's risk in the same way you would consider White 65yrs old, but the biggest risk factor is existing health conditions.</li> <li>Once risks are identified then it would be sensible to work with your occupational health provider on how then to look at adjustments and whether staff can, for the remainder of term, support remote teaching or telephone support roles. This assessment will need to be on a case by case basis.</li> <li>It is less clear cut for children who are living in households with other vulnerable adults or siblings, however it is worth noting that the risk is less from younger children than older children and can be reduced through good hand hygiene. This however will be a decision that parents will need to make individually based on their personal circumstances.</li> </ul>				
Measures have been put in place to protect staff and pupils	An equality impact assessment is undertaken for staff and pupils – use Wandsworth RA document – located on website and emailed out to staff.	SLT & Line Managers.	<b>3</b>	<b>1</b>	

with underlying health issues, BAME staff	<p>All members of staff and parents of pupils with underlying health issues, those within vulnerable groups have been instructed to make their condition or circumstances known to the school, and members of staff with children who cannot attend school.</p> <p>Records are kept and regularly updated e.g. check children and staff who have identified as having asthma have up to date care plans.</p> <p>Members of staff and parents of pupils with underlying health conditions have been asked to seek and act on the advice of their GP/consultant/midwife or current government advice.</p> <p>Staff and parents of pupils are clear about the definitions and associated mitigating strategies relation to people who are classed as clinically vulnerable and clinically extremely vulnerable.</p> <p>All staff who were clinically extremely vulnerable and received a letter should not attend work but can work from home if possible. Wellbeing STAFF WELL-BEING	Processes are in place and functioning effectively to sensitively check on staff wellbeing. Knowledge of issues leads to wider or targeted offers of support. Appropriate sources of support have been identified and can be contacted. Details have been circulated to all staff regarding free counselling that is available.	All Staff, line managers and SLT	<b>3</b>	<b>1</b>	<b>3</b>
PUPIL WELL-BEING	<p>A plan has been developed which identifies possible mental health, pastoral or wider wellbeing issues children may face when returning to school, particularly pupils who were not previously affected.</p> <p>This includes:</p> <ul style="list-style-type: none"> <li>• Identifying a range of sensitive and appropriate ways to check on wellbeing</li> <li>• Considering the ongoing nature of some wellbeing issues.</li> <li>• Exploring the range of support available and where it can be found.</li> <li>• Considering staff training to raise awareness of issues</li> <li>• Identifying specific areas of responsibility Teachers are continuing to plan activities to support pupil wellbeing.</li> </ul> <p>DSL referrals are still taking place and liaison with early help is still in progress. We will continue to monitor pupil wellbeing and concerns will be raised with one of the 3 x DSL if required. We have access to counselling for children requiring additional support.</p>	Wellbeing & Safeguarding Team	<b>3</b>	<b>1</b>	<b>3</b>

## Information for staff, visitors and building users

### STAGE 3 - MITIGATE/ DELAY

We currently increased precautions in place to ensure effective the prevention of the spread of illness. All users of the building are asked to follow the following guidance:

#### Do

- wash your hands with soap and water often – do this for at least 20 seconds
- always wash your hands when you get home or into work
- use hand sanitiser gel if soap and water are not available
- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- put used tissues in the bin straight away and wash your hands afterwards
- try to avoid close contact with people who are unwell

#### Don't

- X do not touch your eyes, nose or mouth if your hands are not clean
- X enter the school if you are feeling unwell or have been in close contact with any person who is unwell (staff should contact the head teacher to discuss).

If you think you might have coronavirus, have been to a country or area with a high risk of coronavirus in the last 14 days or you've been in close contact with someone with coronavirus ring NHS 111.

Visit <https://www.nhs.uk/conditions/coronavirus-covid-19/> for further details.
