KS1	<p style="text-align: center;">Who do Christians say made the world?</p> <p>Make sense of belief: • Retell the story of creation from Genesis 1:1–2:3 simply • Recognise that ‘Creation’ is the beginning of the ‘big story’ of the Bible • Say what the story tells Christians about God, Creation and the world Understand the impact: • Give at least one example of what Christians do to say ‘thank you’ to God for Creation Make connections: • Think, talk and ask questions about living in an amazing world • Give a reason for the ideas they have and the connections they make between the Jewish/Christian Creation story and the world they live in.</p>
Lower KS2	<p style="text-align: center;">What do Christians learn from the Creation story?</p> <p>Make sense of belief: • Place the concepts of God and Creation on a timeline of the Bible’s ‘big story’ • Make clear links between Genesis 1 and what Christians believe about God and Creation • Recognise that the story of ‘the Fall’ in Genesis 3 gives an explanation of why things go wrong in the world Understand the impact: • Describe what Christians do because they believe God is Creator (e.g. follow God, wonder at how amazing God’s creation is; care for the Earth – some specific ways) • Describe how and why Christians might pray to God, say sorry and ask for forgiveness Make connections: • Ask questions and suggest answers about what might be important in the Creation story for Christians and for nonChristians living today.</p>
Upper KS2	<p style="text-align: center;">Creation and science: conflicting or complimentary?</p> <p>Make sense of belief: • Identify what type of text some Christians say Genesis 1 is, and its purpose • Taking account of the context, suggest what Genesis 1 might mean, and compare their ideas with ways in which Christians interpret it, showing awareness of different interpretations Understand the impact: • Make clear connections between Genesis 1 and Christian belief about God as Creator • Show understanding of why many Christians find science and faith go together Make connections: • Identify key ideas arising from their study of Genesis 1 and comment on how far these are helpful or inspiring, justifying their responses • Weigh up how far the Genesis 1 creation narrative is in conflict, or is complementary, with a scientific account, giving good reasons for their views.</p>
