

Whitemoor Academy & Nursery

Head of School: Mrs G Hooper

10.09.21

Dear Parents/carers,

In lieu of a newsletter this week, I just wanted to send a quick message to say how fantastic all of your children have been this week. Coming into school after a long break can be difficult but they have all been amazing. All of our newest children have settled in so well and feel like part of the Whitemoor family already. We may have had the odd tear at drop off from a couple of them but the tears soon stopped once they were in the classrooms and the last three days have been full of fun and laughter. I hope all of the children have spoken to you about what they have been up to and are looking forward to the rest of the year ahead.

Our weekly newsletters will resume next Friday and will be sent home via email. Until then, please see below for a list of dates for this half term with a brief description of what to expect. There will not be any school trips this half term or netball or football fixtures. We hope to start planning for these sorts of events after the half term break in October.

Head of School
