

## Friday 14th May 2021

This week we have seen the welcome return to after school clubs at Whitemoor.

Children have been taking part in forest school, athletics and multi-sports and most importantly having lots of fun!

There are still some places available so if you think your child would like to join in please contact the school office.

From May 18<sup>th</sup> we will no longer be asking you to wear facemasks on the school site. Thank you all for your co-operation over the last few months. Although, national restrictions are gradually being lifted it is still very important that we continue to keep many of our safety measures in place at school, in particular the one-way system around the school.

Please can I ask you all to continue to use this route as it forms a mandatory part of our school Covid 19 risk assessment.

Polite reminder: Please can I remind all parents to drive and park considerately when they are dropping off and collecting their children.

The disabled parking bays should only be used by blue badge holders.

Thank you  
Mrs Rundle.

## Diary Dates for 2021

- ◆ Bank Holiday: 31st May
- ◆ Half Term: 1st June to 4th June
- ◆ INSET Day (Closed to Pupils): 11th June
- ◆ INSET Days (Closed to Pupils): 22nd & 23rd July

## Nursery

The nursery children have enjoyed being creative this week. They have been thinking of their own ideas and applying their own imagination to their pictures and creations.

## Class 1

This week the children have been working hard on learning loads of different mountain facts! Ask them which mountain is the tallest in the world and they will be able to tell you. The Year 1s have worked hard on gathering facts to turn in to an information book. They are excited to use the chrome books next week to help with this.

We have all been practising running over hurdles ready for Sports Day next month.

Next week the Reception children are going to look at writing letters. See if you have any letters at home to talk about this with them, so they know what they are.

Well done Class 1 your teachers are proud of your hard work this week!

## Class 2

This week, Class 2 children have amazed us with their fantastic work on conjunctions and comparative suffixes.

In Maths, they've done some amazing grouping, multiplication and division and added to their amazing Mount Everest facts.

We had lots of fun practising our over-arm throwing skills in PE and had a team competition with the javelins. We've also been thinking about the number 7 - how it is represented in images, where we find it in the natural environment, we learnt about what the G7 Summit is all about and have begun to learn the Gee Seven song!

Great work, Class 2!

## Class 3

Class 3 have been looking at comparing and estimating pounds and pence in Maths as well as recapping on addition and subtraction.

In English, we have finished our story about the Bottle Wizard and the Dragon Boy and have started the new topic 'The Catch'.

In science, we have been learning about the pitch of sound and made our own instruments using straws.

In Art, we were inspired by Kandinsky and looked at how he used different shapes and colours for his paintings. We used the primary colours to mix and painted our own version of one of his paintings 'Squares with Concentric Circles'.

Finally we finished off our week with Fresh Bread Friday!

## Class 4

After School Clubs started this week and Class 4 enjoyed competing in the 24 Game together.

This was a great way to practice finding multiples and factors ready for Maths lessons in the coming days. We shared a snack and played indoor drawing games.

Hopefully next week the weather will be better and we can spend time outside!

## Headteacher's Awards

**Head Teacher Awards will be given out on Monday**

**Thankyou.**

## Vacancy

General Kitchen Assistant required at Whitemoor  
Academy

Every Friday

11:30—13:30
