

FRIDAY 25th September 2020

What a difference a week can make! The seasons have definitely changed at Whitemoor!

The children have been working so hard this week – especially on their reading. Since getting their reading books they have read over 500, 000 words, well done everyone!

We have now had our first 'virtual' whole school assembly, with each bubble joining together using the Teams App. It is fantastic how adaptable our children are and how we can use technology to help keep our school community together. All children should now be getting their homework via Google classroom and we hope you are enjoying the new topic grid activities, we love seeing all the photographs of the things they have made, written or drawn.

Maria Rundle

Head of School

Class 1

This week it has been very busy as the Reception have been at school all day every day! They have enjoyed working with the Year 1's and have especially liked practicing to make marks using paint inside food bags. You can do this at home too!

Class 2

The children in Class 2 have enjoyed learning about Samuel Pepys this week. They wrote fantastic newspaper front pages about the Great Fire of London, which are now proudly displayed in the frames they have decorated. They were also delighted to exchange the letters they wrote in the first week. They've learnt about the features of mammals and practised their throwing and catching skills in PE.

Class 3

Class 3 have been learning how to greet each other in French this week. We have been describing a setting using descriptive language and coding in computing. Mr Gray has been very pleased with the high standard of homework that has been submitted. Well done everyone!

Class 4

Class 4 have had another productive week and have proved that we are ready and willing to learn! We have enjoyed sketching self-portraits for our Gallery wall...can you guess who is who?

As well as drawing, we have been working with numbers to either one, or ten million, in Maths, learning to take notes and precis in English and continuing to practice Tennis skills in PE.

Another busy week for Class 4!

A special 'Shout Out' to Sienna this week for working exceptionally hard in all subjects and for presenting such beautifully neat handwriting.

Well done Sienna!

P.E days

We are still asking children to come dressed in their P.E kits on the days they have P.E. These are:

Monday: Class 1

Tuesday: Class 4

Wednesday: Class 3

Thursday: Class 2
